Hi Brian,

Sorry that I am getting back to you so late.

Yes, you may use my signature for the stipulation. Although, there appears to be an extra page on my end.

Thank you,

Michael:

Just following up from yesterday's email and phone call to confirm that you are okay with filing the SAO to Extend Time for First United to Respond to Complaint sent yesterday. Please let me know if you need me to retransmit the SAO for your review. If at all possible, we would like to get this on file today as to not raise the ire of the district court judge. Thank you again for your professional courtesy.
