to Fed. R. Civ. P. 26(f) and LR 26-1.

I. Fed. R. Civ. P. 26 Meeting

Counsel for Defendant, L. DiPaul Marrero II, and Counsel for Plaintiff, Raymond Tittmann and Anneliese Bradley, participated in a Rule 26(f) Conference on October 23, 2023.

II. **Special Scheduling Review Requested**

The Parties note that an arbitration was conducted in the underlying action pending in Clark County, Nevada, entitled Arene Lopez v. Mickey Tomar et al., Case No. A-18-781639-C ("Underlying Action"). Arbitration went forward on July 11, 2023, but the parties have not received a Judgment at the time of filing this Stipulated Discovery Plan and Scheduling Order.

Defendant's Position: Defendant maintains that a Judgment in the Underlying Action is required to proceed with discovery and therefore requests an additional 60 days to be added to all deadlines that would normally be calculated in compliance with Fed. R. Civ. P. 26(f) and LR 26-1(b).

Plaintiff's Position: Plaintiff maintains that the Parties are able to proceed with discovery before obtaining a Judgment in the Underlying Action. However, Plaintiff agrees not to oppose Defendant's request for additional time.

The Parties have therefore calculated the following deadlines in accordance with Defendant's request and hereby seek special scheduling review by the Court.

III. **Initial Disclosures**

The Parties will exchange their respective Initial Disclosures on or before January 5, **2024**, seventy-four (74) days after the Rule 26(f) Conference. The Parties do not anticipate any changes to the timing, form, or requirement for such disclosures.

IV. The Subjects on Which Discovery Will Be Conducted

The Parties agree that discovery will be needed on Plaintiff's and Defendant's claims and causes of action, any damages, as well as the defenses to the same, consistent with the Federal Rules of Civil Procedure and the Local Rules of this District.

V. <u>Issues Related to The Disclosure or Discovery of Electronically Stored Information</u>

No issues at this time. The parties will meet and confer should any issues arise prior to involving the Court.

VI. <u>Issues Relating to Claims of Privilege or Attorney-Work Product</u>

The Parties agree to be bound by Federal Rule of Evidence 502 regarding the disclosure of privileged material or work product. Further, the Parties acknowledge and agree that while each is taking reasonable steps to identify and prevent disclosure of any document which they believe is privileged, there is a possibility that certain privileged material may be produced inadvertently. Accordingly, the Parties agree that a party who produces a document protected from disclosure by the attorney-client privilege, attorney-work product doctrine, or any other recognized privilege ("Privileged Document") without intending to waive the claim of privilege associated with such document may promptly, meaning within fifteen (15) days after the producing party actually discovers that such inadvertent disclosure occurred, amend its discovery response and/or notify the other party that such document was inadvertently produced and should have been withheld. Once the producing party provides such notice to the requesting party, the requesting party must promptly, meaning within seventy-two (72) hours, return the specified document(s) and any physical copies thereof and if the document(s) only exist electronically, the requesting party shall certify in writing to the producing party that the document(s) have been destroyed and are no longer in their possession. By complying with this obligation, the requesting party does not waive any right to challenge the assertion of privilege and request an order of the Court denying such privilege.

VII. <u>Limits on Discovery</u>

At this time, the Parties agree that discovery will be conducted with the Federal Rules of Civil Procedure and applicable Local Rules of this District Court without limitation or modification of the same. The Parties will not conduct discovery in phases, and the discovery will not be limited to particular issues.
