Case No. 2:23-cv-01301-RFB-BNW
**Stipulation and Order to Extend
Discovery Deadlines**
(Second Request)

18
19 Pursuant to LR IA 6-1 and LR 26-3, the parties request a thirty (30) day extension of
20 discovery deadlines, which is supported by grounds and circumstances set forth below. This
21 stipulation is filed at least 21 days before the earliest deadline to be extended (close of
22 discovery). The current deadline for close of discovery is December 10, 2024. The parties
23 have conducted discovery diligently and in good faith. However, unforeseen circumstances
24 that are out of the parties' control necessitate the request for this extension. This is the

3 **DISCOVERY REMAINING**

4 Defendant has been working diligently to obtain Plaintiff's medical records from her
5 medical providers. However, Plaintiff's medical providers are based out of state and
6 Defendant has received responses of no records from some of them, or is still waiting to
7 receive records from others, including RWJBH University Hospital-Somerset, RWJBH
8 Orthopedic & Spine Institute, New Jersey Healthcare Specialists, PC, Rutgers Health-RWJ
9 Pathology Medical, Delcrest Medical Supplies, LLC, RWJ University Hospital- Wound
10 Care Center, County Podiatry Associates, PA, RWJ Outpatient Center
11 (Somerset/Hamilton) - Columbus PT. Additionally, Defendant will need to request records
12 from Ahmad Haj-Ibrahim, MD at Florence Medical, PC. The requested additional time
13 will allow Defendant the opportunity to obtain the outstanding medical records from Ms.
14 Pop's providers.

15 The parties reserve the right to engage in any other discovery permitted by
16 applicable rules and within the revised discovery deadlines if the court approves this
17 stipulation.

18 **WHY REMAINING DISCOVERY HAS NOT BEEN COMPLETED**

19 Since the entry of the Scheduling Order (ECF No. 28), the parties have been
20 working diligently to advance discovery. Defendant has received some of Plaintiff's
21 medical records from her treating providers which are based out of state, and is working on
22 obtaining the outstanding records.

23 The extension will allow the parties to address discovery issues and schedule and
24 complete any remaining depositions.

25 The parties' counsel conferred and agreed that a thirty (30) day extension would be
26 proper. The parties agree that neither party will be prejudiced by the proposed extension,
27 and that they may be prejudiced should the current schedule remain in place. The parties
28 agree the extension is sought in good faith.

1 **EXTENSION OF THE DISCOVERY PLAN AND SCHEDULING ORDER**
