

1 Defendant, Commissioner of Social Security (the “Commissioner”), by and through his
2 undersigned attorneys, respectfully requests that the Court extend the time for Defendant to file the
3 Certified Administrative Record (CAR). Pursuant to the Court’s order on April 30, 2024, the CAR is due
4 to be filed by May 7, 2024. Defendant requests the Court extend the time for filing by 21 days, through
5 and including May 27, 2024. This is the Commissioner’s first request for an extension of time.

6 Defendant submits that good cause exists for this extension request. The Office of Appellate
7 Operations (which prepares and certifies the certified administrative record) encountered a delay in
8 obtaining transcription of the administrative hearing. OAO has prioritized this case and expects to
9 complete preparation of the CAR as soon as the transcript is received. Though Defendant is requesting
10 an extension of 21 days, counsel will file the CAR as soon as possible after it is complete.

11 On May 3, 2024, the undersigned conferred with Plaintiff via email. Plaintiff indicated that she
12 opposes the requested extension.

13 It is therefore respectfully requested that Defendant be granted an extension of time to file the CAR
14 through and including May 27, 2024.
