**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

Alberto Mpiana Da Mesquita E Melo,

Plaintiff,

v.

U.S. Citizenship and Immigration Services  
(USCIS), et al.,

Defendant.

Case No. 2:24-cv-01030-JAD-EJY

**Joint Stipulation and Order to  
Stay the Proceedings (Fifth  
Request)**

ECF No. 25

Plaintiff and Defendants, through their undersigned counsel, hereby stipulate and jointly request that the Court stay all deadlines in this matter and hold this case in abeyance for an additional period of 30 days, or until **April 6, 2025**.

The subject of this litigation concerns Plaintiff's I-485 application for adjustment of status and I-601 application for waiver of grounds of inadmissibility. Plaintiff asserts Defendants have unduly delayed the processing of his I-485 and I-601 applications.

The parties have conferred and may resolve this matter without continued litigation. Since the last stay was granted, Defendants reopened Plaintiff's administrative applications and granted his I-601 application. Plaintiff's I-485 application remains pending.

Plaintiff, through his counsel, is in the process of preparing a parole request for submission to a third-party agency, the outcome of which may determine the outcome of his I-485 application. Defendants have also requested briefing from Plaintiff to address certain issues in his pending I-485 application. The parties thus request an extension of the

1 stay in the district court proceedings to allow the parties an opportunity to pursue Plaintiff's  
2 parole request and conclude the administrative process. Pending the conclusion of the  
3 remaining administrative processing of Plaintiff's I-485 application and parole request, this  
4 litigation may become moot.

5 This is the fifth request to stay the proceedings. This request is not sought for  
6 purposes of delay or any other improper purpose, but to facilitate the parties' efforts to  
7 resolve the matter in a "just, speedy, and inexpensive" manner consistent with Fed. R. Civ.  
8 P. 1. The parties reserve the ability to seek additional time to finalize resolution, if  
9 necessary.
