Re: Electronic notice for:

CASE NO: 3:73-cv-00003-LDG

Case Name: United States of America V. Orr Water Ditch Company

At some point in the past I received written correspondence regarding the option to receive notice on the above case via email. I'm not sure why or how I ever got on any list to start with regarding the above case as I don't believe I have any water rights and have no interest in these notices.

✓ I would therefore like to request that my name be removed from both the written and email notice lists for all further notices. If I determine at a later date that there is some reason that I should be receiving notice(s), I will request that I be put back on the appropriate list.

Cordially,
