IN EQUITY

Case No. 3:73-CV-00003-MMD

18 **AGREEMENT OF FUNDING PARTIES FOR APPROVAL OF**  
19 **TRUCKEE RIVER OPERATING AGREEMENT BUDGET FOR**  
**FISCAL YEAR OCTOBER 1, 2022, TO SEPTEMBER 30, 2023**

20 Pursuant to Section 2.C.3 of the Truckee River Operating Agreement dated September 6,  
21 2008, the required approval is needed of a majority of the three Funding Parties, to wit: The United  
22 States of America, the State of California and the State of Nevada.

23 The Federal Water Master, Chad Blanchard, the designated Administrator (“Federal Water  
24 Master”), herein, submits to the Court, that the Court previously approved by Order signed  
25 February 2, 2022, the “tentative” budget for the fiscal year October 1, 2021, to September 30, 2022.  
26 This tentative budget has been updated and the Federal Water Master now submits this budget to  
27 the Court as his “proposed” budget for the fiscal year October 1, 2022, to September 30, 2023. This  
28 Agreement is signed by the required majority of the Funding Parties and the proposed budget is

1 attached hereto as Exhibit "A". The proposed budget is the sum of \$1,500,000.00, which sum will  
2 be paid from the Funding Parties per their previously agreed percentages as follows:

3	United States of America	\$ 600,000.00
4	State of Nevada	600,000.00
	State of California	<u>300,000.00</u>
5		\$1,500,000.00

6 The Federal Water Master is asking for the Court to approve this proposed budget.

7 The Federal Water Master, Chad Blanchard, also submits for approval by the Funding Parties,  
8 his proposed tentative budget for the Truckee River Operating Agreement for fiscal year October 1,  
9 2023, to September 30, 2024, as Exhibit "B" attached hereto. The projected budget is the sum of  
10 \$1,850,000.00, which sum will be paid from the assessment of the Funding Parties per their  
11 previously agreed to percentages as follows:

12	United States of America	\$ 740,000.00
13	State of Nevada	740,000.00
	State of California	<u>370,000.00</u>
14		\$1,850,000.00

15 The Federal Water Master also submits for approval by the Funding Parties, his proposed  
16 tentative budget for the fiscal year October 1, 2024, to September 30, 2025, as Exhibit "C" attached  
17 hereto. The projected budget is the sum of \$1,937,500.00, which sum will be paid from the  
18 assessment of the Funding Parties as follows:

19	United States of America	\$ 775,000.00
20	State of Nevada	775,000.00
	State of California	<u>387,500.00</u>
21		\$1,937,500.00

22 In addition, TROA section 7(A)(2)(b)(3) provides "[i]n addition to any fees that may be  
23 charged by United States, [Washoe County Water] Conservation District may impose fees [Annual  
24 Fee] for its calculated annual cost of operation and maintenance of Boca Dam and Reservoir  
25 performed in accordance with this agreement".

26 The Conservation District shall provide this information to the Federal Water Master on  
27 November 1, 2022 and continue to provide the information by November 1 of each subsequent year.

28 The Average Proportion of Flow for the Annual Fee shall be calculated by the Federal Water

1 Master based on a running average as provided in section 7(A)(2)(b)(3), beginning with the water  
2 year ending September 30, 2021.

3 No later than January 15, 2023, Federal Water Master's Annual Fee calculations shall be  
4 communicated to the Parties.

5 The Parties agree to pay the Federal Water Master for their apportioned share of the Annual  
6 Fee no later than April 30 each year based upon the latest calculation of the Annual Fee as  
7 determined by the Federal Water Master.

8 The second Annual Fee has been calculated to be \$89,125.55 (Exhibit "D") and shall be paid  
9 by the Parties no later than April 30, 2023, as follows:

10

11	United States of America	\$40,380.42
	State of Nevada	\$35,650.22
	State of California	<u>\$13,094.91</u>
12	Total Annual Fee	\$89,125.55

13 The Federal Water Master shall distribute the Annual Fee collected for the Boca Account to  
14 the Conservation District within 30 days upon receipt of all funds.

15 The Federal Water Master shall include an accounting of fees collected and distributed in  
16 the Boca Account in his annual audited financial report to be filed with this Court.

17 These proposed tentative budgets are designed to give the Parties notice, and ample time to  
18 prepare for future budgets for the Truckee River Operating Agreement and the Water Master  
19 proposes to continuously provide two years of "tentative" budgets along with the "proposed" current  
20 budget. Signatures to this Agreement are not bound by these budgets, as costs and expenses may  
21 vary from year to year as circumstances may change, and actual budgets are submitted each year.  
22 Any and all surpluses of income over expenses shall be held in reserve by the Federal Water Master  
23 to be used for any budget short falls or unanticipated expenses.

24 The Federal Water Master, Chad Blanchard, also submits to the Court for its approval the  
25 audited Financial Report for Administration of the Truckee River Operating Agreement filed for the  
26 fiscal year October 1, 2021, to September 30, 2022.

27 This Agreement may be executed in two or more counterparts (including by facsimile or by  
28 an electronic scan delivered by electronic mail), each of which shall be deemed an original, but all

1 of which together shall be considered one and the same agreement, and shall become effective when  
2 counterparts have been signed by the majority of the Funding Parties hereto and delivered to the  
3 other Funding Parties, it being understood that the majority of the Funding Parties need not sign the  
4 same counterpart.

5 By executing this document, the parties hereby give their approval of the Budget as  
6 submitted and submit the same to the Court for its approval.
