UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

SERVER TECHNOLOGY, INC.,

Plaintiff,

v.

AMERICAN POWER CONVERSION
CORPORATION,

Defendant.

Case No. 3:06-cv-0698-LRH-VPC

ORDER

Before the court is the parties' joint motion to substitute party. ECF No. 707.

This action was originally initiated back in 2006 by plaintiff Server Technology, Inc. against defendant American Power Conversion Corporation. See ECF No. 1. Since that time, defendant was acquired by non-party Schneider Electric in 2011 and has been renamed and rebranded as Schneider Electric IT Corporation. The parties now move the court to substitute Schneider Electric IT Corporation as the proper defendant in this action instead of American Power Conversion Corporation. See ECF No. 707. The court finds that substituting Schneider Electric IT Corporation is appropriate in this action. Accordingly, the court shall grant the parties' joint motion.
