UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

MICHAEL BRUCE BYNOE,

Petitioner,

v.

PERRY RUSSELL, WARDEN, et al.,

Respondents.

Case No. 3:07-cv-00009-LRH-CLB
ORDER

Respondents ask that the court waive compliance with Local Special Rule 3-3 with respect to the index of exhibits in support of their motion to dismiss Michael Bruce Bynoe’s second-amended § 2254 habeas corpus petition. (ECF No. 113.) LSR 3-3(c) states that the court disfavors the filing of duplicate exhibits. Respondents note that the voluminous state-court record spans over 24 years and explain that a complete set of state-court exhibits has never been filed in this case. Thus, they request to file a complete, chronological index and exhibits for the state proceedings. Good cause appearing,
