                                                                              All right. I want to stop right there.
               Let's start at the top of Page 8. You say,
                                                                              What faith were you in June of 2001?
       "But they came over to help you and your mother."
                                                                              It was called a non-denominal.
               "Yes."
  5
                                                                              Non-denomination?
               "Get through this period when your dad went
      to prison?" You say "Uh-huh."
                                                                              Yes.
  7
                                                                              You had never been to the Mormon church?
               "So how did your relationship start with
                                                                        n
                                                                              Like going to church?
                                                                        Α
      him?" And you say, "I didn't really like him at
  9
                                                               10
                                                                        Q
       first. I hated his guts." She says, "Okay, that's
  10
                                                                              No. But yes, I've been in there. You know,
       honest." You say, "I was afraid of him. Then a
                                                                11
                                                                        Α
  11
                                                                     like for my mom used to have a friend that quilts and
       little later on, I started growing out of that." She
                                                                12
                                                                     I used to go help them quilt.
       says, "What caused you to do that?" And you say, "I
                                                                13
  13
                                                                              Don't take me there, my wife does that.
       don't know. He started to be nice to me I guess."
                                                               14
  14
                                                                               Then I was small enough to climb under and
       She says, "How was he nice?" And you say, "Like any
                                                               15
  15
                                                                      stick the needle through.
       uncle would treat you or aunt would treat you, like
                                                                16
                                                                               But you didn't do that to go there for church
                                                                         0
       your mom would treat you."
                                                                 17
  17
                                                                 18
                                                                      purposes?
                The question is asked, "So you came to look
  18
                                                                         Α
       at him first as an uncle figure or something?"
                                                                 19

		Page 50			Page 52
1	Α	No, I did not. I told my mom, and my mom	1	about Mr.	Jones?
2	just star	ted laughing. "You don't need that."	2	Α	I would say about two or three months after
3	Q	And now as I understand the situation though,	3	when my m	nom started talking to me saying that, "You
4	is that a	fter your father was apprehended and after	4	shouldn't	be that way," and stuff like that.
5	you came	back from the shelter, the Mormon church	5	Q	When she said "that way
6	tried to	help your family?	6	Α	Like being rude
7	Α	Yes, with food.	7	Q	And hateful?
8	Q	And you're not critical of the church for	8	Α	Yes.
9	trying to	help your family, are you?	9	Q	Did Mr. Jones ever talk to you about any of
10	Α	No, I'm not, that was a good thing that they	10	the Morm	on church activities?
11	did becau	use we were on the down side.	11	Α	No.
12	Q	Right and the Mormon church I think got you	12	Q	Did he ever mention primary activities for
13	•	d services?	13	children	young children age three to ten?
14	Α	Yes.	14	А	All he said was just like they do fun things
15	0	And that was welcomed and you're thankful for	15	like art	s and crafts.
16	that; co	·	16	0	But you weren't interested?
17	Α	Yes.	17	A	No.
	0	And they also I think got some clothing; do	18	Q	Did he mention anything about the Merry Miss
18	•	mber that?	19	activiti	
19	•	I just know the food part, not the clothes.	20	Α	The what?
20	A	You're not blaming, in this case, the Mormon	21	Q	Merry Miss?
21	Q		22	A	I don't know what that is.
22		or assisting your family, are you?	23	Q	All right.
23	Α -	No.		ď	Did he indicate did he mention anything to
24	Q	That's something that you're grateful for? Yes.	24	,	ut the beehive activities?
1	Q	And Mr. Jones was the person that had helped	1	Α	I have no idea what that is.
2	get you	that Mormon assistance, that Mormon church	2	Q	That's a program set up for girls between 12
3	assista	nce?	3	and 18	years old within the church. No discussion
4	А	I believe so.	4	with Mr	. Jones about beehive activities?
5	Q	You don't hold that against Mr. Jones, do	5	А	No.
6	you?	-	6	Q	Did he mention anything to you about Mea maid
7	. A	No.	7	Activit	ies?
8	Q	And are you grateful to Mr. Jones at least			
1	•		8	Α	No.
۵	for		9		No. Do you know what that is?
9	for	Helning us out with the food, ves.		A Q A	
10	А	Helping us out with the food, yes. Through the Mormon church?	9	Q A	Do you know what that is?
10	A Q	Through the Mormon church?	9 10 . 11	Q A Q	Do you know what that is? No. Ever heard of it before today?

                                                                            Do you recall now, after seeing the video,
              Isn't it like a co-pastor or something. I
                                                             1
                                                                   giving the statement to Detective Bowers?
                                                               2
      really don't know.
               Do you know what, if any, position Mr. Jones
                                                                     Α
                                                                            Yes.
                                                               3
                                                                            And that is you in the video?
      had with the Mormon church when you and he were
                                                                            Yes.
      involved?
                                                                            And our transcript of the video reflects that
                                                                      0
               At the time, I think he was the Bishop,
                                                               6
                                                                   that statement was given, ma'am, on February.3, excuse
                                                               7
      that's what they called him.
                                                                   me, February 4, 2003?
               Who called him that?
                                                                      Α
                                                                             Okav.
               The church people, church members.
                                                                             I think that this would have been after you
               Do you know where the church was located in 10
                                                                      0
  10
                                                              11 came back from Boise?
       Owyhee?
  11
                                                               12
                                                                       Α
                                                                             Yes.
                Yes, over by the hospital.
         Α
  12
                                                                             And you just resumed the school year?
                                                                       Q
                Do you know what Mr. Jones did there?
                                                             13
  13
                                                               14
                Preach, I guess.
                                                                             Where you tried to make up for that lost
                                                               15
                                                                       0
                But he never preached to you?
  15
          0
                                                               16
                                                                    time; correct?
  16
                                                               17
                                                                       Α
                                                                             Yes.
                And you never prayed together?
  17
                                                                             Now, did you know the importance of telling

        relationship with Mr. Jones had nothing to do with
```

16 (Pages 58 to 61) Page 60 Page 58 1 Α Before. 1 Α Yes. All right. 0 You go down to the question on line six. 2 And Elko then -- the Elko Ameritel Motel Detective Bowers asked you, "Well, between would have been then the last time that you had a November -- after the Ameritel Inn, you're talking sexual relationship with Gary Jones? . 5 about another eight or nine months. Did you ever go Yes. on another trip with him." Α 6 You say, "No because his wife," and then it's True? inaudible. Do you remember what you said about his Yes. And this gets a little dicy but bear with me. wife? ç O And that was purely vaginal sex? 10 ніs wife came back. 10 So you couldn't go on a trip with Mr. Jones? 11 11 No oral sex? 12 O Yes. 12 So that should read, "No because his wife Α No. 13 13 0 And how long before the Ameritel Hotel Motel 0 14 14 came back?" relationship was it going back in time that you had a sexual relationship with Mr. Jones at his house or at 16 On line ten of Page 25. Thank you. 16 in his truck? Then she asked, "But you used to meet him 17 17 there on the reservation?" And you answer, "I talked At the house was about three weeks prior to 18 18 to him every now and then." Then she says, "Did you the Ameritel Inn. Okav. 20 have sex with him again?" Answer "No." 20 And the truck one was about -- I would say She says question, "After the Ameritel Inn, 21 21 you never had sex with him again?" Your answer "No." 22 about a month. 22 Question. "So you had sex with him a total of four 23 0 All right. 23 So the first time that you had a physical times?" And your answer is "Uh-huh." She says, 24 24 sexual relationship with Mr. Jones would have been 25 "You're sure?" And you say, "Uh-huh." And the 25 Page 61 Page 59 approximately in the early part of October of 2001? question is, "You're telling me the truth?" And you 1 Α Yes. say "Uh-huh." 2 And I'm asking you to assume that's a month Then the next question she says, "It's very ٦ 0 3 before the Elko motel? important did you have a relationship of any kind with him after that?" Answer, "I just tried talking to him and is Yes. Α The second time that you had an intimate and stuff." Question. "But there was no sex at the 7 relationship with Mr. Jones was at his house school, no sex on the reservation in Owyhee or approximately three weeks before the stay at the anywhere?" Your answer "No." Was that truthful? motel? Yes. 10 Α Yes. Okav. 10 And then there was what is it a four-day stay 0 So in this situation this whole case that 11 11 at the motel? we're here for today really is about what happened at 12 12 13 Something like that. that motel, true? 13 And how many times was there sexual relations 14 0 14 Α Yes. in the motel, during that period of time? Insofar as the sexual contact? 15 15 16 Α Two. 16 The only sex you had with Gary Jones, ma'am, 17 okay. And I'm not playing games with you but on was at the Ameritel Hotel in Elko Nevada in November 18 18 Page 25 in that area of this transcript, I think you 19 19 of 2001, true? say four. Does that refresh your recollection? At the motel, yes, that is true but within . 20 20 the reservation, we did it about I would say two Α 21 Does that include the other two? times. One was at his house, and one was in his 22 O 22 Yes, it does. 23 Α 23 pickup. So there's a total --24 24 Q Because the day -- okay. There's four days was that before Elko or after Elko? 25 25

       0
                                                                   transcript of you giving a statement to Detective
    love Gary Jones?
                                                                   Bowers, 31, please, and you start really on Page 30,
             Yes.
                                                                   the last question.
             And at the time you thought you did?
       0
                                                                             She asked you, "Did you talk to anybody about
             Yes.
       Α
                                                                    this in Boise about the suicidal tendencies?" And you
             But we don't see any notes where you say you
                                                                    say "Uh-huh."
    were afraid of him.
                                                                             Then on Page 31 she says, "And then --", you
                                                               G
              After you've had the sex the first time in
                                                                    answered, "At the blank treatment because I inaudible
                                                               10
    the truck; right?
10
                                                                    treatment, I wouldn't be cutting myself." And then
       Α
              Uh-huh.
11
                                                                    she says, "Do you think you still need help?" And you
              You weren't afraid of him after that, were
                                                                    said "No," or you actually said "Nope." Was that
                                                               13
     you?
13
                                                                    truthful?
       Α
              No.
                                                               14
14
              And it still was a situation where he was
15
                                                                             So would it be fair to say in this case, to
                                                               16
     spending money on you; correct?
                                                                     the judge and jury, that as of February 4, 2003, you
                                                               17
              Yes.
17
        Α
                                                                     did not need any more help?
              And you thought you had a feeling of love for
                                                               18

                                                                      services, any treatment, psychological, psychiatric?
       wasn't it?
                                                                               Yes. I used to talk to this shrink. He was
                                                                         Α
                Yes.
                                                                      there Wednesdays and Fridays over at the hospital.
                All right.
                                                                               The next several questions I'm going to ask
                                                                 10
                Other than the vaginal sex and touching of
  10
                                                                      you a little bit about the treatment and things like
                                                                11
       the breasts and the private parts, no other type of
  11
                                                                      that but it's about 98 degrees in here. So let's take
                                                                12
       sex; correct?
  12
                                                                13
                                                                      a recess and cool it down.
          Α
                No.
  13
                                                                                      (A recess was taken.)
                                                                 14
  14
                                                                      BY MR. ROBISON:
                                                                 15
                After Mr. Jones in August of 2002, there was
  15
                                                                                Miss Manzanares, we just completed a recess.
                                                                16
       a suicide attempt; correct?
  16
                                                                                without telling me anything that may have
                                                                17
  17
                                                                       been discussed, did you have an opportunity to confer
                                                                 18

                                                                                About your testimony today?
                                                                 24
                                                                          Q
                 Did it help?
   24
                                                                  25
                                                                                No.
                 Yes, some of it did.
   25
```

19 (Pages 70 to 73) Page 72 Page 70 It says, "Previous attempts," and it says So there's nothing that you want to change in "One other 12/01." Do you see that? your testimony as we sit here right now? There shouldn't be. Do you recall having an attempted suicide we're going to go forward with my part of Q prior to this August 2002 incident where Mr. Jones this deposition and everything you've told me so far came over and made a statement? is the absolute truth and honesty; correct? Not that I remember. Δ Okav. You made a comment about being at the church Q I might have talked about it but not really with Mr. Jones to do some paperwork. gave the attempt like how I did in 8/2. Was that before the Ameritel motel incident 10 10 The "12/01" on this line on Exhibit 3 would 11 or after; if you recall? 11 have been almost a month after the Ameritel motel I believe it was before, I'm really not sure. 12 12 situation in Elko; right? 13 13 Α Yes. But that would have been the only time? . 14 14 Does that help you within a month or so after 15 Α the Elko motel room that you would have attempted That you were at the church or on the church 16 16 suicide? . 17 premises with Mr. Jones? Yes, but I didn't actually attempt. I guess Α 18 Yes. 18 Δ it was a talk, but I never really, actually --19 All right. 19 Why was there talk in December? Thank you. Listen, we have Exhibit C that 20 20 If this is the case, why would there be talk 21 I'd like to show you. 21 about suicide about within a month or so after Elko? 22 (A discussion was held.) 22 Just because people started to find out and 23 BY MR. ROBISON: 23 they all started teasing and stuff. Mr. Beko has a good point. 2 4 Found out about Elko? Counsel, if you don't mind, I would like the 25 Q 25 Page 73 Page 71 Yeah, that and what has been going on between record to reflect that Exhibit A is Exhibit No. 1. 1 Α Exhibit B is Exhibit No. 2 and I'm now marking Exhibit 2 me and Gary. You told a couple of your friends? No. 3, and we would like, if it's okay with counsel, 3 0 Yes. I did. to proceed sequentially throughout these depositions 4 Α Cheyenne Rose? so we have one set of exhibits. (Exhibit No. 3 was marked.) Δ Yes. 6 And the other one is? 0 7 BY MR. ROBISON: Jillian Putra. Exhibit 3, ma'am, is a report we got that's Ω Right, PUTRA. Bates and I think it's our production, PR 106, and 9 Throughout the spring of 2002, you're in it's also part of the School District's production and 10 10 school: correct? it's a Suicide or Attempted Suicide Report form. This 11 Α is the one they did in August after the situation at 12 12 And you and Mr. Jones are not in any way 13 your home. 13 involved with a sexual relationship that can be 14 Did you reside on the reservation at this 14 defined as intercourse; correct? 15 time on August of 2002? 15 Α 16 16 Δ Yes. Is it still your belief in 2001 that Mr. And did Mr. Jones reside on the reservation? Q 17 Jones is affiliated with the Mormon church in any way? 18 18 It says "Month Date" four lines down on the 19 Α 19 0 And how was he associated with the church in 20 0 right side 8/02. Do you see that? 20 21 2002? 21 Α Several times he tried to like I guess 2.2 Δ And "Method, hanging. Reason: Family 22 23 convert me to the Mormon ways. problems and stress." Okay? 23 Now, we've discussed that. This is a Q Yes. 24 Α

different question.
