MINUTE ORDER IN CHAMBERS:

Plaintiff filed a motion for clarification (#216) which is largely illegible. It is not clear to the court what clarification plaintiff is seeking. Defendants’ motion to strike (#218) this document is **GRANTED**. Plaintiff’s motion for clarification (#216) is hereby deemed **STRICKEN**.

Plaintiff also filed a motion to strike (#217) a proposed joint pretrial order that was mailed to him by defendants for his review and input. Defendants’ motion to strike (#218) this document is also **GRANTED**. The proposed pretrial order is not yet filed on the docket.

Plaintiff filed a second motion to strike (#221) the proposed joint pretrial order. Defendants responded to the motion (#221). No reply was filed. Plaintiff’s second motion to strike (#221) the proposed joint pretrial order is **DENIED**. No proposed joint pretrial order has been filed.

Defendants’ motion for enlargement of time to file joint pre-trial order (#222) is **GRANTED**. The parties shall have to and including **Friday, June 6, 2014** to file a proposed joint pretrial order. If the parties find that filing a joint proposed pretrial order is impossible, they shall indicate their efforts to file a joint document and then file unilateral proposed pretrial orders.

IT IS SO ORDERED.
