**ORDER GRANTING MOTION FOR DETERMINATION OF GOOD FAITH SETTLEMENT**

The Court, in the above captioned cases, having reviewed and considered *Specially Appearing Parties*, TRC ENGINEERS, INC. f/k/a VPOINT'S (erroneously sued as V POINT ENGINEERING a/k/a TRC ENGINEERING, INC.), MARTIN UGALDE'S, ROBERT BIDART'S and MICHAEL BIDART'S (hereinafter collectively, "TRC Parties") Motion for Determination of Good Faith Settlement, all papers and pleadings filed in this matter, having heard oral argument at the hearing held thereon, and with GOOD CAUSE APPEARING, hereby enters its findings, conclusions and judgment as follows:

**FINDINGS**

1. This matter arises out of a breach in the Truckee Canal on January 5, 2008 in and around the City of Fernley, County of Lyon, Nevada.
2. The Plaintiffs, individually and as members of Class Actions, have filed numerous

1 Complaints in Federal and State Courts against various parties, including the TRC Parties for  
2 alleged damages and injuries arising from the Truckee Canal breach on January 5, 2008 in Fernley,  
3 Nevada.

4 3. The Plaintiffs and various parties in the Federal and State cases allege that the  
5 January 5, 2008 Truckee Canal breach in Fernley, Nevada occurred due to inadequate maintenance  
6 and operation of the Truckee Canal, among other reasons. Plaintiffs further allege that flood  
7 waters from the Truckee Canal breach were impounded by the construction of various residential  
8 subdivisions and obstacles in and around the "A" Drain including the connection of Wrangler  
9 Lane and Wagon Wheel Lane commonly known as the "knuckle."

10 4. The TRC Parties, serving as the plans checker for the City of Fernley, approved the  
11 design of the "knuckle" submitted by a Nevada registered engineer.

12 5. On April 24, 2012, the TRC Parties and representatives of the Plaintiffs from all  
13 Federal and State cases, with assistance of Mr. Michael Schoenfeld, the appointed mediator,  
14 reached a global settlement of all claims, issues and damages (known and unknown) against the  
15 TRC Parties for the January 5, 2008 Truckee Canal breach.

16 6. The Settlement Agreement provides that the TRC Parties shall collectively pay the  
17 sum of \$1,725,000.00 in exchange for a full and complete release and dismissal of all claims,  
18 damages and issues against the TRC Parties in all Federal and State cases concerning the January  
19 5, 2008 Truckee Canal breach.

20 7. That there is no evidence or allegation that the global settlement between Plaintiffs  
21 and the TRC Parties was fraudulently, collusively or tortuously aimed at injuring any non-settling  
22 party.

23 8. That the global settlement between the Plaintiffs, individually and as Classes, is and  
24 was made in good faith.
