**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

7 GORDON M. CAREY,

8 *Petitioner,*

3:10-cv-00143-LRH-WGC

9

10 vs.

ORDER

11 E.K. MCDANIEL, *et al.*,12 *Respondents.*

13

14 This represented habeas matter under 28 U.S.C. § 2254 comes before the Court on a statement
15 (#19) filed by petitioner. The statement filed does not comply with the Court's prior orders in this case.
16 The represented petitioner will be given one last chance to comply with the orders of the Court. If he
17 again fails to do so, the case will be dismissed without any further advance notice.

18 On October 23, 2012, the Court held that Ground 2 [or II] of the amended petition is
19 unexhausted. The Court gave petitioner an opportunity to make his choice under *Rose v. Lundy*, 455
20 U.S. 509 (1982), as to the relief requested as to the mixed petition. The Court's order directed:

21 IT THEREFORE IS ORDERED that petitioner shall have **thirty**
22 **(30) days** from entry of this order within which to file a motion for
23 dismissal without prejudice of the entire petition, for partial dismissal
24 only of the unexhausted Ground 2, and/or for other appropriate relief.
25 Any motion filed must contain or be accompanied by, either
26 contemporaneously or via a document filed within **ten (10) days**
27 thereafter, a signed declaration by petitioner under penalty of perjury
pursuant to 28 U.S.C. § 1746 that he has conferred with his counsel in
this matter regarding his options, that he has read the motion, and that he
has authorized that the relief sought therein be requested from the Court.
The entire petition will be dismissed without prejudice for lack of
complete exhaustion if a motion and/or the verification is not timely
filed.

28 #12, at 12 (bold emphasis in original).

1 Petitioner thereafter filed a motion to stay. The Court denied the motion without prejudice
2 because the motion submitted was an incomplete document that was ambiguous as to the specific relief
3 sought. Moreover, the request for relief in the petitioner's statement did not match the ambiguous
4 request for relief made in the incomplete motion. The Court gave petitioner another opportunity to file
5 complete papers unambiguously setting forth the relief requested. The Court noted: "The default rule
6 in the absence of an unambiguous request for other appropriate relief is dismissal of the entire petition
7 without prejudice." See ## 13-15.

8 Petitioner filed a second motion for stay. On November 20, 2012, the Court denied the motion
9 because petitioner had not demonstrated the requisite good cause for the stay requested. See ## 17-18.

10 The Court gave petitioner an opportunity to pursue the only remaining alternative relief available
11 under *Rose*, dismissal of the unexhausted claim in lieu of dismissal of the entire petition:

12 IT FURTHER IS ORDERED that the petition, as amended, will
13 be dismissed without prejudice unless petitioner moves to dismiss
14 Ground II within **twenty-one (21) days** of entry of this order. Any
15 motion filed must contain or be accompanied by, either
16 contemporaneously or via a document filed within **seven (7) days**
17 thereafter, a signed declaration by petitioner under penalty of perjury
18 pursuant to 28 U.S.C. § 1746 that he has conferred with his counsel in
19 this matter regarding his options, that he has read the motion, and that he
20 has authorized that the relief sought therein be requested from the Court.
21 The entire petition will be dismissed without prejudice for lack of
22 complete exhaustion if a motion and/or the verification is not timely
23 filed. **No extension of time will be granted absent the most
24 compelling of circumstances.**

19 #18, at 5 (bold emphasis in original).

20 On November 29, 2012, petitioner filed a paper titled as a "Statement of Petitioner Relative to
21 Order of November 20, 2012." The body of the document consisted of the following:

22 COMES NOW, Petitioner, Gordon Michael Carey, and in
23 response to the court's Order of November 20, 2012, and after
24 consultation with counsel dismisses Ground II of the Amended Petition.

24 DATED this 27 day of NOV, 2012 under penalty of
25 perjury in Carson City, Nevada.

26 Respectfully submitted,

27 By: [signed by the petitioner in proper person]
28 Gordon M. Carey

28 #19.

1 The statement presented is deficient in numerous respects.

2 First, the November 20, 2012, order specifically directed petitioner to file a motion accompanied
3 by a statement, not a statement with no motion. Absent a subsequent order modifying the Court's order,
4 petitioner must follow the procedure directed by the order.

5 Second, petitioner may not seek relief in proper person in a case where he is represented by
6 counsel. The Court's procedure required that a motion – necessarily filed by counsel in the represented
7 case – be accompanied by the statement specified in the order. Nothing in the Court's orders in this
8 case authorize petitioner simply to present papers seeking relief in proper person.

9 Third, a statement reflecting that a paper is dated “under penalty of perjury” does not constitute
10 a declaration under penalty of perjury of anything other than that the paper is so dated. Petitioner was
11 directed to accompany a motion with “a signed declaration by petitioner under penalty of perjury
12 pursuant to 28 U.S.C. § 1746 that he has conferred with his counsel in this matter regarding his options,
13 that he has read the motion, and that he has authorized that the relief sought therein be requested from
14 the Court.” Dating a statement “under penalty of perjury” does not comply with this directive.

15 The Court has been presented herein with a pattern of ambiguous requests and declarations in
16 incomplete and defective papers. The Court reiterates that the default rule in the absence of an effective
17 request for other appropriate relief is dismissal of the entire petition without prejudice. The represented
18 petitioner will be given one last chance to file complete, unambiguous, and non-defective papers that
19 comply with the Court's orders in this case. Presenting complete, clear, and non-defective papers
20 seeking the dismissal of the unexhausted ground will not waive petitioner's ability to challenge the
21 Court's non-exhaustion holding on appeal. However, regardless of the reason for the failure to comply
22 with orders, if the represented petitioner again fails to follow the Court's orders in this regard, the entire
23 petition will be dismissed as a mixed petition without any further advance notice.

24 It is established law that, outside of the presentation of certain claims in initial collateral review
25 proceedings in the state courts, the petitioner bears the risk of attorney errors made during post-
26 conviction proceedings. *See, e.g., Coleman v. Thompson*, 501 U.S. 722, 754 (1991). This is the last
27 opportunity that the represented petitioner will be given to read and comply with the Court's orders and
28 file a non-defective motion to dismiss the unexhausted ground.

IT THEREFORE IS ORDERED that the petition, as amended, will be dismissed without prejudice unless petitioner moves to dismiss Ground II within **fourteen (14)** days of entry of this order.

Any motion filed must contain or be accompanied by, either contemporaneously or via a document filed within **seven (7) days** thereafter, a signed declaration by petitioner under penalty of perjury pursuant to 28 U.S.C. § 1746 that he has conferred with his counsel in this matter regarding his options, that he has read the motion, and that he has authorized that the relief sought therein be requested from the Court. The entire petition will be dismissed without prejudice for lack of complete exhaustion if a motion and/or the verification is not timely filed. **No extension of time will be granted absent the most compelling of circumstances.**

DATED this 28th day of January, 2013.
