MINUTE ORDER IN CHAMBERS:

On July 27, 2012, this Court held a telephonic discovery conference concerning unresolved discovery disputes (#86). Plaintiff requests production of the full Inspector General's report and tape recorded interviews regarding the incident giving rise to his civil rights complaint. After hearing at length from defendants' counsel and plaintiff, the Court ordered that defendants' counsel produce the following items for the Court's *in camera* review:

1. Entire Inspector General's report;
2. Redacted summary of Inspector General's report earlier produced to plaintiff;
3. Unredacted summary of Inspector General's report;
4. C.D. of plaintiff's own interviews with Inspector General's representative, which have been produced to plaintiff; and
5. C.D. of all interviews the Inspector General's representative conducted in connection with this investigation.

This Court has reviewed all of the materials produced *in camera* and concludes that defendants shall not be ordered to produce the Inspector General's entire report, the unredacted summary of that report, or the C.D. of interviews of individuals other than the plaintiff that were conducted in connection with the investigation. The materials produced *in camera* shall be returned to counsel for defendants.
