**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

ENVTECH, INC.,	)	3:11-cv-00523-HDM-WGC
	)	
Plaintiff,	)	ORDER
vs.	)	
	)	
TALMOR SUCHARD, SENTRO	)	
TECHNOLOGIES, LTD., and SENTRO	)	
TECHNOLOGIES, LLC,	)	
	)	
Defendants.	)	
	)	

Before the court is defendant Sentro Technologies, Ltd.'s ("Sentro") motion to quash service of process due to a lack of personal jurisdiction (#94). Plaintiff has opposed (#99), and Sentro has replied (#102).

The court may order jurisdictional discovery "where pertinent facts bearing on the question of jurisdiction are controverted or where a more satisfactory showing of the facts is necessary." *Boschetto v. Hansing*, 539 F.3d 1011, 1020 (9th Cir. 2008); *Doe v. Unocal Corp.*, 248 F.3d 915, 922 (9th Cir. 2001). Upon review of the pleadings and evidence attached thereto, the court finds that additional discovery is necessary bearing on the question of

1 jurisdiction before the court can decide the motion to quash.  
2 Accordingly, the parties shall have until March 25, 2013, in which  
3 to engage in limited discovery directed toward the facts supporting  
4 plaintiff's claim of personal jurisdiction over Sentro. Sentro's  
5 motion to quash (#94) is therefore denied without prejudice, to  
6 renew within fifteen days of the close of discovery as set forth  
7 above. The plaintiff's request for entry of default against Sentro  
8 (#92) is likewise denied without prejudice to renew.

9 IT IS SO ORDERED.

10 DATED: This 22nd day of January, 2013.
