9 INGINIO HERNANDEZ,

Case No. 3:13-cv-00083-MMD-WGC

10 Plaintiff,

ORDER

11 v.

12 RENEE BAKER, et al.,

13 Defendants.

14 The Court denied summary judgment on count III relating to Plaintiff's Eighth
15 Amendment use of excessive force claim, and referred this case for settlement
16 conference. (ECF Nos. 175, 176.) The settlement conference is scheduled for May 17,
17 2016. (ECF No. 179.) If the parties are unable to resolve this case, the Court will
18 schedule trial on Plaintiff's remaining claim.

19 Pending before the Court are two motions. To the extent Plaintiff's motion for
20 extension (ECF No. 190) seeks to extend the time to file a notice of appeal, it is denied
21 because the time for Plaintiff to file an appeal is not yet triggered. Plaintiff filed a
22 document that he titled in part as "This motion have been made an in good faithfully by
23 answer and response in replace the defendants as a they motions in opposition of a
24 plaintiff motions for his reconsidering facts" ("Motion"). (ECF No. 195.) Plaintiff
25 referenced ECF No. 186 — his motion for reconsideration — which the Court has
26 denied (ECF No. 194). It appears that Plaintiff's Motion is a reply in support of his
27 motion for reconsideration. To the extent Plaintiff is filing another motion for
28 reconsideration, it is denied.

1 It is therefore ordered that Plaintiff's motions (ECF No. 190, 195) are denied
