**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

ARTURO TORRES OCHOA,

Plaintiff,

vs.

RENEE BAKER, et al.,

Defendants.

Case No. 3:13-cv-00417-RCJ-WGC

ORDER

Plaintiff has submitted a motion for a temporary restraining order (#24). The court denies the motion for two reasons. First, the court already has dismissed the action for non-payment of the filing fee pursuant to 28 U.S.C. § 1915(g). Second, plaintiff complains that his nose makes noises, that his belly has a burning sensation, and that his ears are moist. Plaintiff has not alleged any facts showing the possibility of immediate and irreparable harm.

IT IS THEREFORE ORDERED that plaintiff's motion for a temporary restraining order (#24) is **DENIED**.

Dated: February 18, 2014.

ROBERT C. JONES
United States District Judge
