**NEVADA DEPARTMENT OF CORRECTIONS
ADMINISTRATIVE REGULATION
446**

**IDENTIFICATION OF INMATES AFFILIATED WITH SECURITY
THREAT GROUPS AND DISRUPTIVE GROUPS**

Supersedes: AR 446 (06/17/12) and AR 446 (Temporary, 03/11/13)
Effective date: 03/19/13

AUTHORITY: NRS 209.131, NRS 193.168, 28 CFR 23

RESPONSIBILITY

The Inspector General's Office has primary responsibility for supervising the process for the identification and management, including validation, of Security Threat Groups (STG) and/or Disruptive Groups (DG) and the affiliated inmates.

Supervisory Criminal Investigators in the Inspector General's Office and assigned Inspector General Investigators are responsible to monitor STG and/or DG activity within the Department.

All Department staff share the responsibility in reporting and identifying STG and/or DG. All staff will accurately document suspected STG and/or DG members and their activities and ensure all validation and supporting information and documentation is sent to the designated staff member within Inspector General's Office via the appropriate and established chain of authority.

446.01 STG AND/OR DG IDENTIFICATION AND MANAGEMENT

1. STG status is to be considered advisory in nature and ordinarily does not require specific actions beyond an increased level of security awareness.
2. The Department will establish:
 - A. A mechanism to identify, verify, and validate STG and/or DG and the affiliated inmates;
 - B. A procedure for STG and/or DG Due Process hearings and appeals.

3. The Office of the Inspector General will develop confidential procedures to identify, verify, validate and provide suggestions for management of the STG and/or DG.

4. The Office of the Inspector General will develop confidential procedures for the online sharing of intelligence relative to STG and/or DG with law enforcement agencies outside the Department of Corrections.

5. Each institution/facility will develop institutional procedures to comply with the Inspector General's guidelines in the identification of STG and/or DG, and affiliated inmates to each specific group.

A. Each institution is responsible for the management of inmates affiliated with a STG and/or DG, based upon the needs of the institution while keeping in mind the variables of housing for each inmate.

B. Expertise and information relative to housing issues of and/or for inmates should be sought from staff members of the Inspector General's office when applicable.

446.02 STG AND/OR DG INVESTIGATION AND VALIDATION

1. When STG/DG activity or affiliation is suspected, the Warden/designee of the affected institution will initiate an inquiry to gather relevant information concerning the activity and any involved inmates. This information should be documented within Nevada Offender Information Tracking System, (NOTIS) and should include as much identifiable information as possible.

A. When practical the documentation, photographs and/or any other report should be imported into the NOTIS utilizing the document import icon in the appropriate module within NOTIS.

B. Should the institution not have the capability of document import, contact should be made with the Inspector General's Office.

C. If documentation in support of the activity and/or identification is not scanned, all relevant information and documentation obtained during the information gathering/investigation process concerning a suspected STG/DG or affiliated inmate, will be forwarded to the Inspector General's Office designee for review.

2. When appropriate, the IG designee will validate the concerned STG/DG or affiliated inmate in accordance with established validation criterion outlined in the IG procedures.

446.03 STG AND/OR DG DUE PROCESS

- 1. The Department will establish processes and procedures by which an inmate can question, review and appeal a STG/DG designation/validation.**
- 2. In accordance with established validation criterion an inmate will be notified of suspected STG/DG affiliation via NDOC Form 1598 STG/DG Notification. The NDOC Form 1598 will provide what information the suspected affiliation is based upon.**
- 3. The inmate will be advised as to the necessary steps to, if desired, remove themselves from affiliation through the formal debriefing process.**
- 4. Should the inmate disagree with the designation, he can, within 10 days of the written notification, request in writing via his caseworker, a STG/DG Due Process Hearing.**
- 5. The involved casework staff member will notify the supervisory Casework staff of the inmate's request for a STG/DG Due Process Hearing.**
 - A. The Casework staff member should document the inmate's request for a hearing within the appropriate area of the Offender Management Module of NOTIS.**
- 6. The inmate will be notified in writing with a date and time that the STG/DG Due Process Hearing will occur. The inmate must be given at least 72 hours of preparation time to be able to present evidence if he believes the suspected affiliation is incorrect. The inmate may not call any witnesses.**
- 7. The STG/DG Due Process Hearing panel will consist of the Warden or designee, which can be an Associate Warden or a staff member with sufficient supervisory experience and knowledge, the inmate's caseworker, and one other staff member of the facility. Another assigned staff member, typically from the involved institution, will present the STG/DG information on the inmate. All STG/DG Due Process Hearings will be recorded via tape or digital means.**
- 8. The hearing will begin by informing the inmate why he is suspected of being affiliated with a STG/DG, including presenting the facts about why it is believed the inmate should be validated. All evidence will be presented at that time and this evidence will be attached to the hearing document packet.**
- 9. Confidential information that has been proven reliable will be presented, off tape and outside the presence of the involved inmate, to the hearing panel.**

10. Once the evidence and facts have been presented, the inmate will be given the opportunity to present his rebuttal, including being allowed to speak on his behalf. He can present evidence both verbally and documents to support his case. He cannot call witnesses.

11. Once the Due Process hearing panel has heard and reviewed all information and documentation, the recording will be paused or stopped. The inmate and presenting staff member will leave the room and the panel will deliberate. Once the deliberation has ended and the panel has voted whether the inmate should be validated or not, the inmate and the presenting staff member will be allowed back into the room. The tape recorder will be restarted and the inmate will be made aware of the panel's decision by advising him that he is or is not to be validated as affiliated with a STG/DG.

12. Each panel member will indicate on NDOC Form 1598 whether they agree, disagree or need additional information or investigation, with the inmate's suspected affiliation.

13. A copy of the panel's decision will remain with the STG/DG file documentation and a copy of the panel's decision will be placed into the inmate's I file.

A. The original documentation, form 1598 will be sent to the Inspector General's Office, who in turn will upload the document into the STG module for that inmate.

14. The inmate will be provided information explaining to him how he can remove himself from the affiliation through a debriefing process.

15. The inmate will also be afforded the opportunity to appeal the panel's decision should he want to do so. The panel will provide the inmate with information explaining how the appeal process works.

16. After the STG/DG Due Process Hearing has been finalized, the inmate has 10 working days from the hearing date to appeal the panel's decision. The inmate will complete the STG appeal form or an inmate request form after the hearing or the Security Threat Group or Disruptive Group Designation, NDOC form 1598 during the STG Due Process hearing. The Inspector General will forward the form to the appropriate Deputy Director for review. The Deputy Director can agree with the panel, send the matter back for further investigation and review, or overturn the panel's decision for validation of the inmate.

17. Once the Deputy Director has made his determination or recommendation, the information will be returned to the Inspector General's Office, who will notify the involved facility. Casework staff is responsible to notify the involved inmate.

18. A copy of the written results of the Due Process Hearing appeal will be placed with the STG/DG module of NOTIS for the inmate.

19. The inmate's affiliation status with a STG/DG will be reviewed by or through regular case work review at the institution wherein the inmate is housed.

446.04 REVIEW AND/OR REMOVAL OF A STG/DG DESIGNATION

1. During regular reviews, casework staff will confirm with the inmate any validated STG/DG designation.

2. Inmates who express an interest in debriefing and having the STG/DG designation removed will be referred to the Inspector General's Office, with notification to the appropriate Associate Warden for tracking purposes.

3. The IG designee will review the inmate's classification via Offender Management Division or the classification module in NOTIS.

4. The IG designee will document the inmate's request within NOTIS and assign the matter for investigation. The investigation and follow up may be assigned to a staff member within the institution or to the IG designee. The matter will be assigned for review by an Investigator in the Inspector General's Office within 60 days.

5. The debriefing interview will be recorded, with the recording, documentation, and report from the staff member to be returned to the IG designee. The assigned staff member will make recommendations and summarize the interview contents in their report. The debriefing investigation will be completed within 180 days of assignment, unless approved by the IG or Supervisory Criminal Investigator.

6. The IG designee Office will review the staff member's recommendation with the Offender Management Division designee.

7. The safety of the inmates must be of primary concern if they are to be reviewed for transfer or a change in custody.

446.05 STG/DG RECORDS CONFIDENTIALITY

1. Institutional/facility STG/DG procedures and all related documentation and information will be confidential.

A. STG/DG information and documentation is held on a Need to Know, Right to Know basis, under the federal guidelines of 28 CFR 23 relative to dissemination.

2. Unauthorized dissemination of STG/DG information or documentation is prohibited by any staff member of the department. Only the Director or the Inspector General's Office is authorized to release STG/DG information, whether on a group or an inmate affiliated with a STG/DG.

446.06 STG/DG TRAINING

1. The IG designee, with approval of the Inspector General, will identify and designate Department trainers in the identification and management of Security Threat Groups and/or Disruptive Groups.

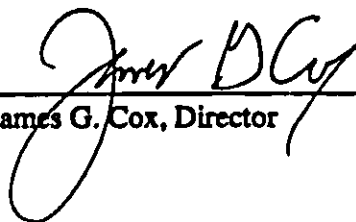

2. Department STG/DG training lesson plans shall be approved by the IG designee and Employee Development Division.

APPLICABILITY

NEVADA STATUTES

TITLE 15.

Crimes And Punishments.

CHAPTER 193.

General Provisions.

193.168. Additional penalty: Felony committed to promote activities of criminal gang; restriction on probation; expert testimony.

1. Except as otherwise provided in subsection 5 and NRS 193.169, any person who is convicted of a felony committed knowingly for the benefit of, at the direction of, or in affiliation with, a criminal gang, with the specific intent to promote, further or assist the activities of the criminal gang, shall, in addition to the term of imprisonment prescribed by statute for the crime, be punished by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 20 years. In determining the length of the additional penalty imposed, the court shall consider the following information:

- (a) The facts and circumstances of the crime;
- (b) The criminal history of the person;
- (c) The impact of the crime on any victim;
- (d) Any mitigating factors presented by the person; and
- (e) Any other relevant information.

The court shall state on the record that it has considered the information described in paragraphs (a) to (e), inclusive, in determining the length of the additional penalty imposed.

2. The sentence prescribed by this section:

- (a) Must not exceed the sentence imposed for the crime; and
- (b) Runs consecutively with the sentence prescribed by statute for the crime.

3. This section does not create any separate offense but provides an additional penalty for the primary offense, whose imposition is contingent upon the finding of the prescribed fact.

4. The court shall not impose an additional penalty pursuant to this section unless:

(a) The indictment or information charging the defendant with the primary offense alleges that the primary offense was committed knowingly for the benefit of, at the direction of, or in affiliation with, a criminal gang, with the specific intent to promote, further or assist the activities of the criminal gang; and

(b) The trier of fact finds that allegation to be true beyond a reasonable doubt.

5. The court shall not impose an additional penalty pursuant to this section if the primary offense is a violation of NRS 201.570.

6. Except as otherwise provided in this subsection, the court shall not grant probation to or suspend the sentence of any person convicted of a felony committed for the benefit of, at the direction of, or in affiliation with, a criminal gang if an additional term of imprisonment may be imposed for that primary offense pursuant to this section. The court may, upon the receipt of an appropriate motion, reduce or suspend the sentence imposed for the primary offense if it finds that the defendant rendered substantial assistance in the arrest or conviction of any other principals, accomplices, accessories or coconspirators to the crime, or of any other persons involved in the commission of a felony which was committed for the benefit of, at the direction of, or in affiliation with, a criminal gang. The agency which arrested the defendant must be given an opportunity to support or oppose such a motion before it is granted or denied. If good cause is shown, the motion may be heard in camera.

7. In any proceeding to determine whether an additional penalty may be imposed pursuant to this section, expert testimony is admissible to show particular conduct, status and customs indicative of criminal gangs, including, but not limited to:

(a) Characteristics of persons who are members of criminal gangs;

(b) Specific rivalries between criminal gangs;

(c) Common practices and operations of criminal gangs and the members of those gangs;

(d) Social customs and behavior of members of criminal gangs;

(e) Terminology used by members of criminal gangs;

(f) Codes of conduct, including criminal conduct, of particular criminal gangs; and

(g) The types of crimes that are likely to be committed by a particular criminal gang or by criminal gangs in general.

8. As used in this section, "criminal gang" means any combination of persons, organized formally or informally, so constructed that the organization will continue its operation even if individual members enter or leave the organization, which:

(a) Has a common name or identifying symbol;

(b) Has particular conduct, status and customs indicative of it; and

(c) Has as one of its common activities engaging in criminal activity punishable as a felony, other than the conduct which constitutes the primary offense.

1991, ch. 403, § 2, p. 1057; 2007, ch. 525, § 17, p. 3191; 2009, ch. 112, § 1, p. 415.

Effect of amendment. The 2009 amendment, effective October 1, 2009, added "subsection 5 and" in the introductory language of (1); added (5); redesignated accordingly; and made stylistic changes.

NOTES TO DECISIONS

State's burden of proof. In order for the gang enhancement statute to apply, due process and the plain language of the statute require that the State prove beyond a reasonable doubt that the defendant's gang engages in felonies as one of the gang's common activities. *Oriegel-Candido v. State*, 114 Nev. 378, 956 P.2d 1378, 1998 Nev. LEXIS 45 (1998).

Felonious activity of gang. State's gang expert's conclusory testimony that the defendant's gang was a criminal gang as defined by the statute didn't support district court's application of the gang sentence enhancement; the gang expert failed to address whether the gang members committed felonies as a common activity, didn't testify as to the approximate number of gang members who committed felonies, and didn't testify as to whether senior gang members exhorted incoming gang members to commit felonious acts. *Oriegel-Candido v. State*, 114 Nev. 378, 956 P.2d 1378, 1998 Nev. LEXIS 45 (1998).

Enhancement applied to crime of conspiracy. Statutory gang enhancement in paragraph 1 applied to the crime of conspiracy in sentencing defendant because a person could reach an unlawful agreement for the benefit of a criminal gang. *Kirkpatrick v. State*, 122 Nev. 846, 137 P.3d 1193, 2006 Nev. LEXIS 89 (July 20, 2006).

I PREVIOUSLY INFORM^{ED} ~~ED~~ A/AWP CARPENTER VIA KITE ABOUT THE PROBLEM OF THE GROUP CALLING THEMSELVES 5⁰. INMATE WRIGHT IS AN ACTIVE CRIP AND A MEMBER OF THIS GROUP HOLDING NON-NDOC RECOGNIZED 5⁰ SERVICES ON MONDAYS (UNDER THE RASTAFARIAN LABEL) AND THURSDAYS (UNDER THE MUSLIM STUDIES LABEL). HE IS CURRENTLY USING HIS GANG INFLUENCE TO UNDOUBLY INTIMIDATE OUR MEMBERS AND TO DISCOURAGE ME FROM RECOVERING MY PROPERTY.

IN THE PAST, WHENEVER I RESOLVED THESE PROBLEMS "MY WAY" YOU'D CHARGE ME CRIMINALLY ADDING MORE TIME TO MY SENTENCE (BATTERY BY A PRISONERS). BUT NOW I'M GOING TO OBEY THE DIVINE INSTRUCTIONS OF PROPHET NOBLE DREW ALI AND AM FILING THIS GRIEVANCE FOR THE RETURN OF

I.

DURING MY CHILDHOOD, I WAS A MEMBER OF A RELIGIOUS FRATERNITY
FOUNDED BY MY GRANDFATHER CHARLES L. WILLIAMS ("CHOLLY ABU")
IN 1923 CALLED "KING TUT ENLIGHTENED DYNASTY." ONE OF THE TENETS
IS THE BELIEF THAT THE YOUTH IS TO BE DIVINELY PREPARED FOR THE
NEW MILLENNIUM. IN ACTING OUT THIS SINCERELY HELD RELIGIOUS
BELIEF, THE NEIGHBORHOODS GROUP JACKSON AVENUE CRIPS WAS
INSTALLED AS THE OUTER COURT OF THE RELIGIOUS FRATERNITY, TO
ATTRACT THE URBAN YOUTH. JACKSON AVE. CRIPS WAS A NON-CRIMINAL
SUBSIDIARY YOUTH GROUP. THE ONLY THING IT HAD IN COMMON WITH
THE CRIMINAL GANG "CRIPS" IS THE NAME. EXHIBITS B - O

II.

JACKSON AVE CRIPS WAS DISBANDED IN 1999 AS THE OUTER COURT
BECAUSE IT WAS BELIEVED IT (THE LABEL "CRIPS") WAS NO LONGER
USEFUL TO ELEVATING THE URBAN YOUTH.
