8 MICHAEL S. BROWETT

9 Plaintiff,

CASE NO.: 3:16-cv-00181-RCJ-WGC

10 vs.

11 THE CITY OF RENO, a municipality
 12 organized and existing under the laws of the
 State of Nevada, and DOES 1 through 20,

CASE MANAGEMENT ORDER

14 Defendants.

15
 16 _____ /
 17 **JOINT CASE MANAGEMENT REPORT**

18 Plaintiff Michael S. BROWETT and Defendant CITY OF RENO, by and through their
 19 undersigned counsel, hereby submit their first Joint Case Management Report in accordance with
 20 this Court’s Minute Order filed on April 26, 2016 (Doc. # 7).

21 **1. Nature of the case:**

22 This case involves allegations of interference with Plaintiff’s FMLA rights established by
 23 29 C.F.R. §825.100, et seq. BROWETT alleges that CITY OF RENO improperly interjected
 24 elements of his FMLA leave into the promotion interview process and then used his FMLA leave
 25 as a negative factor in denying his promotion to Lieutenant with the Reno Police Department in
 26 violation of 29 U.S.C. § 2601, et seq.

2. Factual and legal disputes:

CITY OF RENO generally denies all material allegations and claims that it had legitimate business reasons for denying BROWETT the promotion.

3. Jurisdiction:

Jurisdiction is proper in this Court pursuant to 28 U.S.C. §1331 because this matter involves a federal question. This matter is brought pursuant to 29 U.S.C. §2617 of The Family Leave Act 29 U.S.C. §§2601-2654. This Court also has supplemental jurisdiction over any state law claims pursuant to 28 U.S.C. §1367(a).

It is the CITY OF RENO’s position that the Family Medical Leave Act (FMLA) does not provide a private federal cause of action for an alleged discriminatory violation of an employer’s benefit plan. Plaintiff cannot recover damages under FMLA, 29 C.F.R. §825.700, for alleged discrimination in the administration of the City of Reno’s paid leave policy because a private contractual agreement does not provide federal courts with jurisdiction.

It is CITY OF RENO’s further position that Plaintiff’s claim for interference damages in paragraph 42 of the complaint is not justiciable or ripe for adjudication and the court is without jurisdiction to hear the claim.

4. Additional Parties:

None identified at this time.

5. Statement of expected additional parties or amended pleadings:

Neither Party currently expects to add any additional party or to file an amended pleading.

6. Pending Motions:

None.

7. Contemplated Motions:

CITY OF RENO reserves the right to file a Fed. R. Civ. P. Rule 56 motion for summary judgment upon the conclusion of discovery.

8. Related Cases:

None.

9. Discovery:

a. Extent, nature and location of discovery:

All discovery is currently anticipated to be accomplished locally. It is currently believed that all relevant documents are maintained and in the possession of CITY OF RENO, and all anticipated witnesses are either current or former employees of CITY OF RENO. Plaintiff's expert consultants and witnesses are all residents of this jurisdiction.

b. Suggested revisions to discovery limitations:

None.

c. Deposition time limits:

The Parties do not currently anticipate the need for any limits on the time to depose any witness and do not expect any deposition to exceed the current prescription of 7 hours.

10. Electronically stored information:

The majority of documents identified for discovery are believed to be electronically stored by CITY OF RENO, and the Parties do not currently anticipate any difficulties in identifying and producing those records.

11. Issues of privilege or work product:

The Parties are currently negotiating the elements of a Stipulated Protective Order that will address anticipated issues of privilege and work product involved with the anticipated discovery in this matter. Once agreed upon, the Stipulated Protective Order will be submitted to the Court for consideration.

12. Discovery Plan and Scheduling Order:

Concurrent with this Case Management Report, the Parties have submitted a Stipulated Discovery Plan and Scheduling Order for the Court's approval.

6. Filing of Pretrial Order: December 19, 2016

THE DEADLINES SUBMITTED HEREIN ARE IN COMPLIANCE WITH LR 26-1(e).

14. Jury trial requested:

15. Estimated length of trial:

Four Days.

16. Settlement:

The Parties' undersigned counsel hereby certify that they met at the Rule 26(f) Conference, discussed the possibility of settlement, and agreed that settlement is currently not possible.
