Case No.: 3:16-cv-00595-MMD-VPC

**MOTION FOR LEAVE TO DEPOSE  
INCARCERATED PLAINTIFF**

COMES NOW, Defendant JIM PITTS, by and through his Attorneys of Record,  
ERICKSON, THORPE & SWAINSTON, LTD., and BRENT L. RYMAN, ESQ., and hereby

BEEBE, prior to the discovery cutoff of February 26, 2018. (Order (#9), p. 2, ll. 4-5).

Defendant's Motion is made and based upon NRS 50.215, FRCP Rule 30, all of the  
pleadings and papers on file herein, as well as the following Memorandum of Points &  
Authorities.

///

1 **MEMORANDUM OF POINTS & AUTHORITIES**

2 **I. SUMMARY OF ACTION AND CURRENT MOTION**

3 As the Court is aware, Plaintiff in this matter is currently imprisoned in the Warm  
4 Springs Correctional Center in Carson City, Nevada. Defendant PITTS wishes to take  
5 Plaintiff's deposition in this matter and, therefore, respectfully move this Court for an Order  
6 directing prison officials to allow the same as outlined in greater detail below.

7 **II. LEGAL ARGUMENT**

8 **A. The Federal Rules and Nevada law provide that an imprisoned person  
9 may give deposition testimony for use in a civil action when such  
examination is allowed by the Court.**

10 As referenced above FRCP Rule 30(a)(2)(B) requires leave of this Court before  
11 Defendant may depose a person confined in prison. Nevada also provides a relevant statute  
12 on the subject. In this regard, NRS 50.215, entitled "Examination of Prisoner as Witnesses;  
13 Notification of Department of Corrections Required," reads, *in toto*, as follows:

- 14 1. A person imprisoned in the state prison or in a county jail  
15 may be examined as a witness in the district court  
16 pursuant to this section. The examination may only be  
17 made on motion of a party upon affidavit showing the  
18 nature of the action or proceeding, the testimony  
19 expected from the witness, and its materiality.
- 20 2. In a civil action, if the witness is imprisoned in the  
21 county where the action or proceeding is pending, his  
22 production may be required by the court or judge. In all  
23 other cases, his examination, when allowed, must be  
24 taken upon deposition.
- 25 3. In a criminal action, an order for that purpose may be  
26 made by the district court or district judge, at chambers,  
27 and executed by the sheriff of the county where the  
28 action is pending. Except as otherwise provided by  
NRS 209.274, the judge may order the sheriff to bring  
the prisoner before the court as the expense of the state  
or at the expense of the defendant.
4. If a person imprisoned in the state prison is required or  
requested to appear as a witness in any action, the  
department of corrections must be notified in writing:
  - (a) Not less than 7 business days before the date scheduled  
for his appearance in court if the offender is incarcerated:

- (1) In a prison located not more than 65 miles from Carson City;
  - (2) In a prison located not more than 40 miles from Las Vegas; or
  - (3) In a prison located not more than 95 miles from Ely.
- (b) Not less than 14 business days before the date scheduled for his appearance in court if the offender is incarcerated in a prison which is located at a distance which exceeds those specified in paragraph (a).

NRS 50.215 (2017).

Because he is the Plaintiff in this matter, Mr. Beebe's testimony will be important Defendant's anticipated dispositive motion. Therefore, Defendants would respectfully request an Order from this Court directing the appropriate state corrections personnel to allow Defendants to take Plaintiff's deposition, to be recorded via stenographic means, at the Warm Springs Correctional Center. The undersigned counsel will make arrangements for the deposition once leave is granted by this Court.

**III. CONCLUSION**

NRS 50.215 provides for the examination of an inmate incarcerated within the Nevada State Prison System, in this case Plaintiff, and FRCP Rule 30(a)(2)(B) requires leave of this Court. Defendant therefore respectfully petitions this Court to allow counsel to proceed with the deposition of the inmate Jared Beebe at Warm Springs Correctional Center on a date convenient to the parties and acceptable to prison officials.
