Good cause exists because one (1) of plaintiff's associate attorneys has suddenly been quarantined due to a possible exposure to COVID-19. As a firm of only three (3) attorneys, the attorney that was tasked with drafting the response brief has had to cover the caseload for the quarantined attorney resulting in a delay to draft the response. This unexpected coverage includes coverage for multiple depositions, Equal Employment Opportunity Commission mediations and additional briefing and discovery efforts on other matters that would have been otherwise allocated for the drafting of a response brief.

This extension is the first request for an extension and is not submitted for the purpose of delay.

**IT IS SO STIPULATED AND AGREED.**
