MEMORANDUM OF POINTS AND AUTHORITIES

I. ARGUMENT

Defendants respectfully request a fifteen (15) day extension of time to file a reply to Plaintiff's response to Motion for Summary Judgment (ECF No. 63). This is the first such request made by Defendants. Recent quarantine measures imposed in response to the COVID-19 virus pandemic have delayed Defendants' ability to timely reply; Governor Sisolak issued a "stay at home" directive on April 1, 2020 whereby Deputy Attorney Generals and other staff are required to utilize home based working arrangements. As a result, the already limited staff at the Office of the Attorney General is rendered less efficient due to constraints imposed by limited VPNs and lack of remote document access. Federal Rule of Civil Procedure 6(b)(1) governs extensions of time and provides as follows:

When an act may or must be done within a specified time, the court may, for good cause, extend the time: (A) with or without motion or notice if the court acts, or if a request is made, before the original time or its extension expires; or (B) on motion made after the time has expired if the party failed to act because of excusable neglect.

Defendants' request will not hinder nor prejudice Plaintiff's case. The requested fourteen day extension of time should permit Defendants' counsel time to adequately reply to Plaintiff's response to their motion for summary judgment. Given current briefing demands in other cases and limited staffing within the Office of the Attorney General exacerbated by COVID-19 precautions, Defendants assert that the requisite good cause/excusable neglect is present to warrant the requested extension of time.

For these reasons, Defendants respectfully request a fifteen (15) day extension of time from the current deadline of May 21, 2020 to reply to Plaintiff's response to their motion for summary judgment in this case, with a new deadline to and including Friday, June 5, 2020.

DATED this 20th day of May 2020.

AARON D. FORD
Attorney General
