ORDER SCHEDULING VIRTUAL SETTLEMENT CONFERENCE

A settlement conference utilizing Zoom video conferencing technology is scheduled to commence on **Tuesday, April 6, 2021 at 9:00 a.m.** before United States Magistrate Judge Carla Baldwin. The court will send an email containing information required to join the Zoom video conference prior to the hearing date. Consideration of settlement is a serious matter that requires thorough preparation prior to the virtual settlement conference. Accordingly, IT IS HEREBY ORDERED that:

I. **ATTENDANCE REQUIREMENTS**

The attorneys who will try the case, the parties, and the person or persons who have full authority to negotiate and settle the case, on any terms, must personally attend the virtual settlement conference and are required to be present on the video for the entirety of the conference without exception. This requires the presence of the attorney's client, or if a corporate, governmental, or other organizational entity, an authorized representative of the client. For a defendant, such representative must have final settlement authority to commit the organization to pay, in the representative's own discretion, a settlement amount up to the plaintiff's prayer, or up to the plaintiff's last demand, whichever is lower. For a plaintiff, such representative must have final authority,

1 in the representative's own discretion, to authorize dismissal of the case with prejudice, or
2 to accept a settlement amount down to the defendant's last offer. If board approval is
3 required to authorize settlement, the attendance of at least one sitting member of the board
4 (preferably the chairperson) is absolutely required.

5 If an insurance company is a party, or is contractually required to defend or to pay
6 damages, they must also have a fully authorized settlement representative present for the
7 entirety of the video settlement conference. Such representative must have final
8 settlement authority to commit the company to pay, in the representative's own discretion,
9 an amount within the policy limits, or up to the plaintiff's last demand, whichever is lower.¹

10 Any exceptions to the above attendance requirements must be requested by a
11 motion to the court no later than one-week prior to the scheduled virtual settlement
12 conference.

13 Counsel appearing for the virtual settlement conference without their client, client
14 representatives, or insurance company representatives, as described above, will cause
15 the settlement conference to be canceled or rescheduled. The non-complying party,
16 attorney or both may be assessed the costs and expenses incurred by other parties and
17 the court due to the cancellation, as well as any additional sanctions the court deems
18 appropriate.

19 II. PRE-CONFERENCE NEGOTIATIONS

20 **Prior to the virtual settlement conference, the parties are to negotiate and**
21 **make a good faith effort to settle the case without the involvement of the Court.**
22 **Specific proposals and counter proposals shall be made.** Plaintiff(s) shall make an
23 offer to defendant(s) fifteen (15) days prior to the virtual settlement conference.
24 Defendant(s) shall make a counteroffer to plaintiff(s) ten (10) days prior to the virtual
