6 v.
7 CITY OF ELKO, et al.,
8 Defendants.

Case No.: 3:22-cv-00384-MMD-CSD

**ORDER SETTING MANDATORY
CASE MANAGEMENT
CONFERENCE**

9
10 The court has now screened Plaintiff's complaint pursuant to 28 U.S.C. § 1915A(a) and
11 ordered the case to proceed. In order to ensure the just, speedy, and cost-effective resolution of
12 this action, the court orders the parties to attend a mandatory case management conference as
13 described more fully below. No discovery may proceed until the court enters a full scheduling
14 order.

15 **I. Mandatory Case Management Conference**

16 A mandatory case management conference will be held on **MONDAY, JUNE 26, 2023,**
17 **at 10:00 A.M., in Reno Courtroom 2 before Magistrate Judge Craig S. Denney.** Counsel
18 shall appear in-person.

19 Plaintiff may appear by telephone by dialing **1-888-557-8511**, enter the access code
20 **3599743**, and enter the security code **62623**, approximately five (5) minutes prior to the hearing.
21 The parties should be available for one-half hour, although the case management conference will
22 likely take less time.

23 ///

1 **II. Case Management Report**

2 In advance of the mandatory case management conference, each party shall file a case
3 management report no later than **TUESDAY, JUNE 20, 2023**.

4 The case management report must not exceed **5 pages** and must **not** include any attached
5 exhibits. Each party's case management report must include the following information in
6 separately numbered paragraphs as designated below:

7 1) A brief statement of the nature of the case, including a brief description of the claims
8 and defenses;

9 2) The location of potentially relevant documents;

10 3) The discovery each party intends to take, if any;

11 4) Any options or methods for the streamlining and/or bifurcation of discovery or the
12 litigation;

13 5) Whether the defense of failure to exhaust administrative remedies may apply to any
14 claim(s) and whether that defense, if successful, would be dispositive of the entire case or certain
15 claims in the litigation. If a defense of failure to exhaust administrative remedies will be raised,
16 address whether any discovery needs to be conducted as to that defense only, and if so, what
17 discovery is required, and provide an estimate of how long the parties need to complete this
18 discovery;

19 6) Whether the party intends to use expert witnesses;

20 7) Whether the party intends to proceed by consent before the magistrate judge.

21 Presently, when a civil trial is set before the district judges, any criminal trial set that conflicts
22 with the civil trial will take priority, even if the civil trial was set first. Continuances of civil
23 trials under these circumstances may no longer be entertained, absent good cause, but the civil

1 trial may instead trail from day to day or week to week until the completion of either the criminal
2 case or an older civil case. The parties are advised that they are free to withhold consent or
3 decline magistrate jurisdiction without adverse substantive consequences; and

4 8) Any immediate or ongoing issues or requests that require the court's immediate
5 attention or that should be brought to the court's attention.

6 **III. Discovery Plan and Scheduling Order**

7 Following the case management conference, the court will issue a discovery plan and
8 scheduling order (DPSO). Once issued, the dates in the DPSO are firm and no extension will be
9 given without permission from the court based on a showing of good cause.

10 **IT IS SO ORDERED.**
