

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIREKristyn Graham

v.

Civil No. 10-cv-00332-JL

New Hampshire State Prison
for Women, Warden, et al.**O R D E R**

Although the court is inclined to approve the Report and Recommendations, the bold faced portions of the petitioner's objection set forth on pages 6-8 thereof might be construed as a motion to amend the complaint. In an abundance of caution due to the petitioner's pro se status, the court refers the objection (doc. no. 8) to Judge McCafferty to determine: (a) whether that portion of the objection should be so construed; (b) if so, whether the proposed amendment would change the recommendation, and (c) if so, how to proceed.

SO ORDERED.
