DISTRICT OF NEW HAMPSHIRE

Ashley Scala

v.

Civil No. 12-cv-250-SM

United States of America

ORDER

The motion for relief under 28 U.S.C. 2255 (doc. no. 1) is granted, without objection, for the reasons given in the petition and the government's response. The parties agree that appropriate relief consists of reducing the imposed period of incarceration to 24 months. That stipulation is approved. A revised judgment shall issue forthwith, reimposing sentence as originally announced, but substituting 24 months as the period of incarceration.

So ordered.
