

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMPSHIRE

Theodore Roosevelt

v.

Civil No. 12-cv-408-PB

KFC

ORDER

Re: Document No. 9, Motion for Hearing

Ruling: The plaintiff's conclusory assertion that the judges who reviewed his complaint are racist does not entitle him to relief from judgment. Accordingly, there is no reason for a hearing and the motion is denied. To the extent that the plaintiff's motion was intended to also be a motion to recuse, the motion is also denied. Plaintiff may pursue his state law claim in state court. Alternatively, plaintiff may seek review of the court's rulings by filing a notice of appeal with the first circuit court of appeals.

Date: January 29, 2013
