My comments relate to Civil Action Number: 07-2867(NLH),MDL No. 1850

I am in favor of the proposed settlement. I purchased cans of dog food for my three year old Shih-tzu, Lindsay, who became sick and despondent. I took her immediately to Apache Animal Hospital in Minneapolis, Mn. The tests were positive for kidney problems. I was given a diet for her to follow, and within a few weeks, she recovered. The cost was \$554.67 . As a retired educator, living on a pension, and paying monthly cobra pay for Health Insurance , this was an expense.

I want to take this opportunity to speak in favor of the proposed settlement, for those who do not take the time to speak . I want to thank you for your efforts to reimburse people who have had losses due to this proposed settlement.

Sincerely,

Patricia L. Gohla
