To whom it may concern:

This letter is in regards to my cat, Gumby. Gumby was a healthy, young male cat until a diet of Sophisticat Cat Food. He now has kidney failure, among other ailments. Gumby must be on a special diet, which is very expensive to keep up. He also must have a vet tech come to administer fluids weekly. The vet bills before and after have mounted. I expect to be reimbursed for Gumby's vet bills, medications, etc. Innocent animals have suffered because of this.

I am sending confirmation of Gumby's situation from my vet, Dr. Simon. Backup paperwork is included.

Thank you for your time. Like everyone else, I love my animal and want to get him healthy. If not for this food, he would be.

Sincerely,

Deborah Williamson
