

UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

THELMA MASON,

Plaintiff,

v.

NO DEFENDANT LISTED,

Defendant.

HONORABLE JEROME B. SIMANDLE

Civil Action

No. 16-cv-06279 (JBS-AMD)

OPINION

APPEARANCES:

Thelma Mason, Plaintiff Pro Se
1234 Decatur St.
Camden, NJ 08104

SIMANDLE, Chief District Judge:

1. Plaintiff Thelma Mason seeks to bring a civil rights complaint pursuant to the 42 U.S.C. § 1983. Complaint, Docket Entry 1.

2. Section 1915(e)(2) requires a court to review complaints prior to service in cases in which a plaintiff is proceeding *in forma pauperis*. The Court must sua sponte dismiss any claim that is frivolous, is malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief. This action is subject to sua sponte screening for dismissal under 28 U.S.C. § 1915(e)(2)(B) because Plaintiff is proceeding *in forma pauperis*.

3. For the reasons set forth below, the Court will dismiss the complaint without prejudice for failure to state a claim. 28 U.S.C. § 1915(e)(2)(b)(ii).

4. To survive sua sponte screening for failure to state a claim, the complaint must allege "sufficient factual matter" to show that the claim is facially plausible. *Fowler v. UPMS Shadyside*, 578 F.3d 203, 210 (3d Cir. 2009) (citation omitted). "A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Fair Wind Sailing, Inc. v. Dempster*, 764 F.3d 303, 308 n.3 (3d Cir. 2014) (quoting *Iqbal*, 556 U.S. at 678). "[A] pleading that offers 'labels or conclusions' or 'a formulaic recitation of the elements of a cause of action will not do.'" *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007)).

5. Plaintiff has not named a defendant in her complaint. The complaint must therefore be dismissed.

6. Plaintiff may be able to amend the complaint to name state actors who were personally involved in the alleged unconstitutional conditions of confinement, however. To that

end, the Court shall grant Plaintiff leave to amend the complaint within 30 days of the date of this order.¹

7. Plaintiff is advised that the amended complaint must plead sufficient facts to support a reasonable inference that a constitutional violation has occurred in order to survive this Court's review under § 1915. The factual portion of the complaint states in its entirety: "Was sleeping on the floor." Complaint § III. Even accepting the statement as true for screening purposes only, there is not enough factual support for the Court to infer a constitutional violation has occurred.

8. The mere fact that an individual is lodged temporarily in a cell with more persons than its intended design does not rise to the level of a constitutional violation. *See Rhodes v. Chapman*, 452 U.S. 337, 348-50 (1981) (holding double-celling by itself did not violate Eighth Amendment); *Carson v. Mulvihill*, 488 F. App'x 554, 560 (3d Cir. 2012) ("[M]ere double-bunking does not constitute punishment, because there is no 'one man, one cell principle lurking in the Due Process Clause of the Fifth Amendment.'" (quoting *Bell v. Wolfish*, 441 U.S. 520, 542 (1979))). More is needed to demonstrate that such crowded conditions, for a pretrial detainee, shocks the conscience and thus violates due process rights. *See Hubbard v. Taylor*, 538

¹ The amended complaint shall be subject to screening prior to service.

F.3d 229, 233 (3d Cir. 2008) (noting due process analysis requires courts to consider whether the totality of the conditions "cause inmates to endure such genuine privations and hardship over an extended period of time, that the adverse conditions become excessive in relation to the purposes assigned to them.").

9. In the event Plaintiff files an amended complaint, she should include specific facts, such as the dates and length of his confinement(s), whether she was a pretrial detainee or convicted prisoner, any specific individuals who were involved in creating or failing to remedy the conditions of confinement, and any other relevant facts regarding the conditions of confinement.

10. Plaintiff should note that when an amended complaint is filed, the original complaint no longer performs any function in the case and cannot be utilized to cure defects in the amended complaint, unless the relevant portion is specifically incorporated in the new complaint. 6 Wright, Miller & Kane, Federal Practice and Procedure 1476 (2d ed. 1990) (footnotes omitted). An amended complaint may adopt some or all of the allegations in the original complaint, but the identification of the particular allegations to be adopted must be clear and explicit. *Id.* To avoid confusion, the safer course is to file an amended complaint that is complete in itself. *Id.* The amended

complaint may not adopt or repeat claims that have been dismissed with prejudice by the Court.

11. For the reasons stated above, the complaint is dismissed without prejudice for failure to state a claim. The Court will reopen the matter in the event Plaintiff files an amended complaint within the time allotted by the Court.

12. An appropriate order follows.
