UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

MICHELLE NICOLE SHARP, Plaintiff, v. CAMDEN COUNTY JAIL, Defendant.	HONORABLE JEROME B. SIMANDLE Civil Action No. 16-cv-06907 (JBS-AMD) **OPINION**

APPEARANCES

Michelle Nicole Sharp, Plaintiff Pro Se
17 Cattell Drive
Sicklerville, NJ 08081

SIMANDLE, Chief District Judge:

I. INTRODUCTION

Plaintiff Michelle Nicole Sharp seeks to bring a civil rights complaint against Camden County Jail ("CCJ") pursuant to 42 U.S.C. § 1983 for allegedly unconstitutional conditions of confinement. Complaint, Docket Entry 1.

28 U.S.C. 1915(e)(2) requires a court to review complaints prior to service in cases in which a plaintiff is proceeding *in forma pauperis*. The Court must *sua sponte* dismiss any claim that is frivolous, is malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief. This action is subject to *sua sponte* screening for dismissal under Section 1915(e)(2)(B) because Plaintiff is proceeding *in forma pauperis*.

For the reasons set forth below, the Court will dismiss the Complaint with prejudice for failure to state a claim. 28 U.S.C. § 1915(e)(2)(b)(ii).

II. BACKGROUND

Plaintiff's Complaint alleges that she had to drink "contaminated brown water" and was "forced to sleep on the floor because there was [*sic*] 4 people to a cell" due to the "overcrowding of inmates." Complaint § III(C).

Plaintiff states that the alleged events giving rise to her claims occurred "approx before 2005, 2006." *Id*. § III(B).

With respect to alleged injuries arising from these events, Plaintiff claims: "I was stressed out and the place was very unsanitary. I received medication for mercer [*sic*], and I also took medication for sleep. I also had people threatening me and putting their hands on me. They wanted people to be in gangs ect. [*sic*]." *Id*. § IV.

With respect to relief sought, Plaintiff "would like to receive between $2,500 - $3,500." *Id*. § V.

III. STANDARD OF REVIEW

To survive *sua sponte* screening under 28 U.S.C. § 1915(e)(2) for failure to state a claim, a complaint must allege "sufficient factual matter" to show that the claim is facially plausible. *Fowler v. UPMS Shadyside*, 578 F.3d 203, 210 (3d Cir. 2009) (citation omitted). "A claim has facial plausibility when

the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Fair Wind Sailing, Inc. v. Dempster*, 764 F.3d 303, 308 n.3 (3d Cir. 2014). "[A] pleading that offers 'labels or conclusions' or 'a formulaic recitation of the elements of a cause of action will not do.'" *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007)).

IV. DISCUSSION

Plaintiff asserts claims against CCJ for allegedly unconstitutional conditions of confinement.

Primarily, the Complaint must be dismissed as CCJ is not a "state actor" within the meaning of § 1983. *See*, *e.g.*, *Grabow v. Southern State Corr. Facility*, 726 F. Supp. 537, 538–39 (D.N.J. 1989) (correctional facility is not a "person" under § 1983). Accordingly, the claims against CCJ must be dismissed with prejudice.

Furthermore, "plaintiffs who file complaints subject to dismissal should receive leave to amend unless amendment would be inequitable under [§ 1915] or futile." *Grayson v. Mayview State Hosp.*, 293 F.3d 103, 114 (3d Cir. 2002). This Court denies leave to amend at this time as Plaintiff's Complaint is barred by the statute of limitations, which is governed by New Jersey's

two-year limitations period for personal injury.[1] *See Wilson v. Garcia*, 471 U.S. 261, 276 (1985); *Dique v. N.J. State Police*, 603 F.3d 181, 185 (3d Cir. 2010). The accrual date of a § 1983 action is determined by federal law, however. *Wallace v. Kato*, 549 U.S. 384, 388 (2007); *Montanez v. Sec'y Pa. Dep't of Corr.*, 773 F.3d 472, 480 (3d Cir. 2014). "Under federal law, a cause of action accrues when the plaintiff knew or should have known of the injury upon which the action is based." *Montanez*, 773 F.3d at 480 (internal quotation marks omitted).

Plaintiff states that the alleged events giving rise to her claims occurred "approx before 2005, 2006." Complaint § III(B). The allegedly unconstitutional conditions of confinement at CCJ would have been immediately apparent to Plaintiff at the time of detention. Accordingly, the statute of limitations for Plaintiff's claims expired in 2008. As there are no grounds for equitable tolling of the statute of limitations,[2] the Complaint

[1] "Although the running of the statute of limitations is ordinarily an affirmative defense, where that defense is obvious from the face of the complaint and no development of the record is necessary, a court may dismiss a time-barred complaint sua sponte under § 28 U.S.C. § 1915(e)(2)(B)(ii) for failure to state a claim." *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 111–12 (3d Cir. 2013) (per curiam).

[2] Equitable tolling "is only appropriate '(1) where the defendant has actively misled the plaintiff respecting the plaintiff's cause of action; (2) where the plaintiff in some extraordinary way has been prevented from asserting his or her rights; or (3) where the plaintiff has timely asserted his or her rights mistakenly in the wrong forum.'" *Omar v. Blackman*, 590 F. App'x

will be dismissed with prejudice. *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 112 (3d Cir. 2013) (per curiam) (affirming dismissal with prejudice due to expiration of statute of limitations).

V. CONCLUSION

For the reasons stated above, the Complaint is dismissed with prejudice for failure to state a claim. An appropriate order follows.
