

For the reasons set forth below, the Court will dismiss the Complaint with prejudice for failure to state a claim. 28 U.S.C. § 1915(e)(2)(b)(ii).

## **II. BACKGROUND**

Plaintiff's Complaint states in its entirety: "Slept on the floor and fed inadequately and not protected." Complaint § III(C).

With respect to allegations of injuries sustained from these events, Plaintiff claims "back problems from sleeping on the floor, food cold, and I got sliced with a razor[,] got bandaged[,] and given medication. Anxiety." *Id.* § IV.

Plaintiff states that the alleged events giving rise to his claims occurred "July 4, 2012 - February 7, 2014." *Id.* § III(B).

Regarding his claims for relief, Plaintiff states: "They can give me treatment for my anxiety and give me 20,000." *Id.* § V.

## **III. STANDARD OF REVIEW**

To survive *sua sponte* screening under 28 U.S.C. § 1915(e)(2) for failure to state a claim, a complaint must allege "sufficient factual matter" to show that the claim is facially plausible. *Fowler v. UPMS Shadyside*, 578 F.3d 203, 210 (3d Cir. 2009) (citation omitted). "A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for

the misconduct alleged." *Fair Wind Sailing, Inc. v. Dempster*, 764 F.3d 303, 308 n.3 (3d Cir. 2014). "[A] pleading that offers 'labels or conclusions' or 'a formulaic recitation of the elements of a cause of action will not do.'" *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007)).

#### **IV. DISCUSSION**

Plaintiff asserts claims against CCJ for allegedly unconstitutional conditions of confinement.

Primarily, the Complaint must be dismissed as CCJ is not a "state actor" within the meaning of § 1983. *See, e.g., Grabow v. Southern State Corr. Facility*, 726 F. Supp. 537, 538-39 (D.N.J. 1989) (correctional facility is not a "person" under § 1983). Accordingly, the claims against CCJ must be dismissed with prejudice.

Furthermore, "plaintiffs who file complaints subject to dismissal should receive leave to amend unless amendment would be inequitable under [§ 1915] or futile." *Grayson v. Mayview State Hosp.*, 293 F.3d 103, 114 (3d Cir. 2002). This Court denies leave to amend at this time as Plaintiff's Complaint is barred by the statute of limitations, which is governed by New Jersey's two-year limitations period for personal injury.<sup>1</sup> *See Wilson v.*

---

<sup>1</sup> "Although the running of the statute of limitations is ordinarily an affirmative defense, where that defense is obvious

*Garcia*, 471 U.S. 261, 276 (1985); *Dique v. N.J. State Police*, 603 F.3d 181, 185 (3d Cir. 2010). The accrual date of a § 1983 action is determined by federal law, however. *Wallace v. Kato*, 549 U.S. 384, 388 (2007); *Montanez v. Sec'y Pa. Dep't of Corr.*, 773 F.3d 472, 480 (3d Cir. 2014). "Under federal law, a cause of action accrues when the plaintiff knew or should have known of the injury upon which the action is based." *Montanez*, 773 F.3d at 480 (internal quotation marks omitted).

Plaintiff states that the alleged events giving rise to his claims occurred "July 4, 2012 - February 7, 2014." Complaint § III(B). The allegedly unconstitutional conditions of confinement at CCJ would have been immediately apparent to Plaintiff at the time of his detention. Accordingly, the statute of limitations for Plaintiff's claims expired in February 2016. As there are no grounds for equitable tolling of the statute of limitations,<sup>2</sup> the Complaint will be dismissed with prejudice. *Ostuni v. Wa Wa's*

---

from the face of the complaint and no development of the record is necessary, a court may dismiss a time-barred complaint sua sponte under § 28 U.S.C. § 1915(e)(2)(B)(ii) for failure to state a claim." *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 111-12 (3d Cir. 2013) (per curiam).

<sup>2</sup> Equitable tolling "is only appropriate '(1) where the defendant has actively misled the plaintiff respecting the plaintiff's cause of action; (2) where the plaintiff in some extraordinary way has been prevented from asserting his or her rights; or (3) where the plaintiff has timely asserted his or her rights mistakenly in the wrong forum.'" *Omar v. Blackman*, 590 F. App'x 162, 166 (3d Cir. 2014) (quoting *Santos ex rel. Beato v. United States*, 559 F.3d 189, 197 (3d Cir. 2009)).

*Mart*, 532 F. App'x 110, 112 (3d Cir. 2013) (per curiam)  
(affirming dismissal with prejudice due to expiration of statute  
of limitations).

V. **CONCLUSION**

For the reasons stated above, the Complaint is dismissed  
with prejudice for failure to state a claim. An appropriate  
order follows.

**February 1, 2017**
