

Even if a prisoner is granted *in forma pauperis* status, he must pay the full amount of the filing fee of \$350.00. *See* 28 U.S.C. § 1915(b)(1). In each month that the amount in the prisoner's account exceeds \$10.00, the agency having custody of the prisoner shall assess, deduct from the prisoner's account, and forward to the Clerk of the Court, payment equal to 20 % of the preceding month's income credited to the prisoner's account. *See id.* § 1915(b)(2). The deductions will continue until the \$350.00 filing fee is paid.

Even if the necessary fees are paid and the complaint is accepted for filing, the Court may nevertheless immediately dismiss the case. The Court must review the complaint and dismiss it if it finds that the action is: (1) frivolous or malicious; (2) fails to state a claim upon which relief may be granted; or (3) seeks monetary relief against a defendant who is immune from such relief. *See id.* § 1915(e)(2)(B); *see also id.* § 1915A(b).

If the plaintiff has, on three or more prior occasions while incarcerated, brought an action or appeal in a court that was dismissed on any of the grounds listed above, he cannot bring another action *in forma pauperis* unless he is in imminent danger of serious physical injury. *See id.* § 1915(g).

In this case, plaintiff has not paid the \$400.00 filing fee. Furthermore, plaintiff's application to proceed *in forma pauperis* will be denied without prejudice as it is incomplete. Plaintiff has not included a six-month prisoner account statement certified by the appropriate prison official. Accordingly, the Clerk will be ordered to administratively close the case. Plaintiff may reopen this action, however, by either paying the filing fee or submitting a complete *in forma pauperis* application.
