Civil No.: 07-4788 (KSH)

**Order**

For the reasons expressed in the accompanying opinion, it is hereby **ORDERED** on this 28th day of February, 2014, that defendant Argen’s “brief in support of motion for reconsideration” [D.E. 383]—which the Court construes as a motion for reconsideration and for stay of judgment pending appeal—and motion for sanctions [D.E. 384] are **DENIED**.
