RE: ISObunkers v. Byram Township Board of Education
Civil Action No. 09-607 (DMC)
Request for Adjournment

Dear Judge Dickson:

As you are aware, this office represents the Plaintiff ISObunkers in the above captioned matter. There is presently pending before this Court the Defendant Byram Township BOE's motion for summary judgment. Our response to that motion is due on Wednesday, December 8, 2010. Currently, the matter is returnable on December 20, 2010.

Over the course of the last 2 ½ to 3 weeks there have been manpower shortages in this office due to various surgeries and other illnesses. In light of the foregoing, we are requesting additional time in which to file our response, specifically Monday, December 13, 2010. My adversary has consented to this request as long as the return date for the motion is adjourned as well.

Under the circumstances, we would respectfully request the additional time due to the various medical problems which have compromised our ability to comply with the original scheduling.

Thanking you in advance for your anticipated cooperation, I remain, as ever,

Respectfully submitted,
