

is the question whether there is a direct causal link between a municipal policy or custom and the alleged constitutional deprivation.” City of Canton v. Harris, 489 U.S. 378, 385 (1989).

Plaintiff has not pointed to any facts which suggest a direct causal link between failure to provide sexual harassment training to a housing inspector and an episode of sexual harassment. Housing inspectors do not need special training in order to know that they should avoid sexual contact with property owners. The motion to vacate will be denied.

For the same reason, Plaintiff’s motion for leave to amend the Amended Complaint will be denied.

For these reasons,

**IT IS** on this 30<sup>th</sup> day of June, 2015

**ORDERED** that Plaintiff’s motion to vacate the Court’s Order of November 20, 2013 and for leave to amend the Amended Complaint (Docket Entry No. 105) is **DENIED**.
