JORGENSEN & COMPANY,

Plaintiff,

vs.

GARY SUTHERLAND, NORTH
AMERICAN PROFESSIONAL LIABILITY
INSURANCE AGENCY, LLC, PLAZA
INSURANCE COMPANY, ROCKHILL

VONO, AND DOGAN TUNCEL ,

Defendants.

Case No.: 2:15-CV-07373-CCC-MF

**ORDER & OPINION OF THE SPECIAL
MASTER**

Documents Bates Stamped NAP011610-13427

Opinion: Defendants argue that these documents consists of all Salesforce reports ever generated by any user of Salesforce at NAPLIA and that these documents are properly marked Attorneys' Eyes Only because these documents contain Salesforce.com data, including policy information, premiums, expiration dates, addresses and contact information, communications and extensive other customer data that would be extremely damaging if obtained by a competitor. Plaintiff maintains that it would agree to designate these documents confidential to the extent they contain client data and are identified as such by Defendants but object to the need for an Attorneys' Eyes Only designation. Plaintiff further argues that as NAPLIA is insolvent and no longer in business, there can be no significant harm to the disclosure of these documents.

After careful review of these documents, it is the opinion of the Special Master that the following documents should be unmarked Attorneys' Eyes Only: NAP011611; NAP011638; NAP011649-11657; NAP011658-11663; NAP011664-11672; NAP011649-11657; NAP011658-11663;
