

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW MEXICO**

STC.UNM,

Plaintiff,

vs.

No. 10-cv-1077 RB/WDS

INTEL CORPORATION,

Defendant.

ORDER

This matter is before the Court on Plaintiff STC.UNM's Unopposed Motion for Leave to File a Two Page Surreply (Doc. 196), filed March 6, 2012. Following the parties' presentation of oral argument on Intel's Motion for Summary Judgment (Doc. 178) and being otherwise fully advised, the Court **GRANTS** Plaintiff's motion. The Court further orders Intel to submit a two-to-five page Surreply limited to the discrete issue whether and/or how Plaintiff's Exhibit 7 (USPTO records, Docs. 191-1 & 191-2) impacts Intel's argument that Sandia National Laboratories is a distinct, legal entity which may hold title to patents.

THEREFORE,

IT IS ORDERED THAT STC.UNM's Unopposed Motion for Leave to File a Two Page Surreply (Doc. 196) is **GRANTED**.

IT IS FURTHER ORDERED that Intel submit a two-to-five page Surreply limited to the issue described above by **Wednesday, April 18, 2012**.
