Dear Mark:

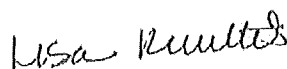

Please find enclosed a check payment to Sandia Corporation in the amount of \$2,076.20. This payment represents Sandia's share of the license fee income received by STC for licensing of U.S. Patent No. 5,705,321 titled "Method for Manufacture of Quantum Sized Periodic Structures in Si Materials", reference number UNM-322.CON/SD-5308. This was one of the patents licensed by STC to Toshiba Corporation.

The royalty sharing was calculated as follows:

	UNM-322.CON/ SD-5308 Patent No. 5,705,321
Net license fee received for patent	\$ 9,227.57
x 22.5% to Sandia under Inter-institutional Agreement (commercialization agreement)	x 22.5%
Amount due to Sandia from STC	\$ 2,076.20

If you have any questions, please contact me.

Sincerely,

Lisa Kuuttila
 President & CEO

Encl.
