ORDER ON REQUEST TO DISMISS

THIS MATTER comes before the Court sua sponte, following a review of Respondent Geisen's Answer to Amended Petition for Writ of Habeas Corpus ("Answer") (Doc. 20). In his Answer, Respondent Geisen argues, inter alia, that Petitioner's request for relief is now moot as Petitioner's current detention is by federal order, not tribal order. (Doc. 20, p. 5). Based on this argument, Respondent Geisen asks the Court to dismiss Petitioner's Amended Petition for lack of jurisdiction. (*Id.* at 6).

Respondent Geisen's request, however, is not in the form of a motion and thus it is not properly before the Court for consideration. *See* Fed. R. Civ. P. 7(b)(1) ("A request for a court order must be made by motion."). Further, the Court notes that regardless of Petitioner's current order of detention, it appears that Petitioner may be subject to future custody under the tribal court judgment. And, future custody may be challenged via a petition for writ of habeas corpus. *See* 28 U.S.C. § 2254 Rule 1(a)(2).

IT IS, THEREFORE, ORDERED that if Respondent Geisen seeks a ruling on his request to dismiss Petitioner's Amended Petition, he shall file a written motion formalizing the request within ten (10) days of the entry of this order. If the Court does not receive such a motion within the deadline specified, the cause shall proceed on its merits.
