The Court held a status conference on September 21, 2010 and made the following rulings: plaintiff’s motion to proceed pro se is denied as moot as he has retained a new attorney. Defendants’ request to re-depose plaintiff regarding any treatment he has received since his deposition is denied as unnecessary. Plaintiff shall provide a sworn statement to defendants’ counsel listing the names and addresses of all medical or mental health professionals who have treated or examined plaintiff since the events alleged in his complaint by October 1, 2010.
