Re: **Kamburowski v. Kidd, CV-05-953**

Dear Magistrate Mann:

The Plaintiffs respectfully request an extension of time, until January 30, 2007, to complete fact discovery in this matter. The parties are currently in the middle of depositions, and have depositions scheduled for the first week of October. After these depositions, we still have approximately four depositions remaining, and therefore, need the additional time to complete this process. Once the depositions have been completed we hope to engage in settlement negotiations concerning the possible resolution of this matter, and believe that the additional time in this regard is also necessary. The Defendants have, of course, consented to this request.

Thank you for your time and consideration of this request.

Very truly yours,

Michael P. DiRaimondo
