Re: *Web Tracking Solutions, LLC and Daniel Wexler v. Google Inc.*, No. 1:08-cv-03139

Your Honor:

The parties submit this joint letter to inform you of their plans for the April 29, 2010 *Markman* hearing at 10 a.m., and to invite any questions or comments Your Honor might have.

The parties plan to present PowerPoint presentations. The presentations would generally include slides on: (1) the background of the technology (*i.e.*, the type of information in the technical tutorials), (2) information about the patent and prosecution history, and (3) each parties' claim construction positions. Plaintiffs' counsel would present on all of these issues, followed by defendant's counsel. Subject to any different preferences Your Honor may have, the parties estimate each side will take 1.5 to 2 hours for these presentations.

We understand that Your Honor has another conference at 2 p.m. Given that we are starting at 10 a.m., in view of the time estimates for each side the parties will be prepared to continue after the break for as long that afternoon as Your Honor finds necessary.

The parties are available to discuss the procedures for the *Markman* hearing at Your Honor's convenience.

Respectfully submitted,

/s/ Steven M. Hayes
