We accept texts for translating in .DOC and .RTF formats, and give default project quotes, assuming that your project is provided to us in this form.

Yet if you have a different file format - please provide us a sample page, to give you a custom quote for converting OR re-typing.

Payment Terms

- We normally charge \$40 per 1000 words of initial text, which is also our minimum order.
- The price may get higher if the original files provided to Translations-Center are offered in format OTHER than ".doc" or ".rtf".
- The price may get higher if the original text includes formulas, graphs or other features that tend to slow down translation process, and/or require graphic editing. For such pages, a special fee might apply.
