**Re: Mikhlyn, et al. v. Bove, et al.  
Case No. 1:08-cv-3367**

Honorable Judge Reyes:

This firm was prior counsel to the Defendants in the above referenced action. I submit this letter to request that my time to submit a reply to Defendants' April 29, 2011 submission be extended to May 27, 2011. Additional time is sought since Defendants' submission, which requires a meaningful response, consists of nearly 70 pages of declarations not including exhibits. Extending my time to submit a reply will not prejudice the parties.

Thank you in advance for your kind consideration.

Very truly yours,

/s/ Boris Kogan
