Dear Luda

We are in a legal disputes with Anna. She claims that all designs were made personally by her. As we know it is not completely true and we are trying to collect information from digitizers who worked for her back then. Also, if you know anybody else who worked for Anna back then, please let us know. We would really appreciate this information.

Kindest Regards.  
Inga Mikhlyn

Dear Luda

As we know your performed some digitizing work for Anna back in 2002 or 2003. Is it possible for you to determine which designs your digitizing work was involved in. Can you give us a list of the designs you were working on and is possible percentage of your part.

Kindest Regards.  
Inga Mikhlyn
