**Subject:** News from Anna Bove - new embroidery fonts & summer sale

Dear friends!

It's Anna Bove, and I'm glad to be with you again.

You might have noticed that I didn't release new designs for quite a long time, due to some serious events which will be mentioned in more detail below.

Finally, I've prepared 3 new design sets - all of them are antique style fonts. These new fonts are listed on our completely new website that was just launched. You may see the latest fonts here:

<http://www.annaboveembroidery.com/what39s-n39.html>

All of the 3 alphabets are complete initial fonts, decorated with flowers. One is in famous Jacobean style, the second one is an elegant and jolly font with summer flowers, and the third set of letters is adorned with wild Violets. Hope you will like them :o)

To celebrate the launch of this new site, we've decided to hold a short 30% OFF sale on all floral designs & floral fonts. It's summer, the best time for flowers, so be sure to benefit from this offer. To browse all "ON Sale" designs here, visit this page:

Now to the more serious matters. This new site launch, as well as the large break with new designs, is due to some of my ex staff attempting to take illegal control of my websites and business. As a result, the old sites have been under their full control for several months.

Currently I have managed to re-claim our main domain name, and am now in the process of getting back everything else. As you may notice, embroidery supplies are currently missing - they will become available again shortly.

I know that as a result of this confrontation, at this time my designs are being distributed illegally. From my end, am taking all the necessary steps to stop this, and I hope that in the nearest future the matter will be resolved. In the meantime, I'd like to ask for your help in combating software piracy of embroidery designs, and your contribution is extremely important.

Please notice - all designs on [annaboveembroidery.com](http://annaboveembroidery.com) are copyright protected. Any other web site offering my designs (e.g. the same designs as those listed on [annaboveembroidery.com](http://annaboveembroidery.com)), WITHOUT carrying my name AND without being listed as an official dealer on [annaboveembroidery.com](http://annaboveembroidery.com), do NOT have any rights to distribute those designs, and is doing so illegally. At this moment the ONLY other company that has a license for selling designs that were created by Anna Bove is The Sewphisticated Stitcher, Inc.

Whenever you see my designs being sold elsewhere, please, send me an email at [anna@annaboveembroidery.com](mailto:anna@annaboveembroidery.com).

I strongly believe that part of what happened is for the better. Now there is a much more user-friendly web-site, which you will surely enjoy. It has many new features, including gift certificates and an improved search function. Remember to check out all the discounts and offers, and visit our new freebies archive:

I wish you a wonderful day & happy embroidering!
