Re: Johnathan Johnson v. Commissioner Martin F. Horn and Andrea Evans
10-CV-1387 (ARR)

Dear Judge Ross:

I am an Assistant Attorney General in the office of Andrew M. Cuomo, Attorney General of the State of New York, counsel for respondents in connection with the parole-related claims in the two above-referenced habeas corpus matters. In both matters, the Queens County District Attorney's Office will represent respondents in connection with the claims related to petitioner's underlying state court convictions.

On March 22, 2010, this court extended our time to respond to the petition in case number 10-CV-073 from March 22 to May 22, 2010. We have requested no other extensions in either matter.

Although the two petitions stem from different state court convictions, the parole-related claims in each matter are identical. Therefore, we respectfully request permission to file a consolidated response to all the parole-related claims by June 22, 2010.

I have not contacted petitioner regarding this request because he is proceeding pro se and is incarcerated.

Thank you for your consideration.

Respectfully submitted,
