For the reasons stated on the record, the Court denies without prejudice plaintiff's motion to compel (DE#24), which does not specify which particular categories of documents are still in dispute, following defendants' two supplemental productions, and the legal basis for plaintiff's entitlement to such documents. Plaintiff will renew his motion by close of business tomorrow. Defendants response is due by close of business on May 30, 2017.

Fact discovery is extended to June 16, 2017. The deadline for the parties to file a joint proposed summary judgment briefing schedule is extended to June 23, 2017.
