Under Local Civil Rule 1.3(c), a court certificate, issued by the court within thirty (30) days, is required. A certificate issued by the state bar association is not sufficient. Moreover, the certificate is dated August 11, 2005.

For these reasons, the pro hac vice application on behalf of James B. Hicks does not comply and is denied, without prejudice to renewal.

SO ORDERED:

Dated: Central Islip, New York  
October 27, 2005
